

S.C. Department of Natural Resources 2008 Minority Intern Program

DNR

DNR is committed to informing the public about its role in conserving the state's natural resources, with an emphasis on building and sustaining a culturally diverse workforce.

DNR provides interns an educational experience built on practical, hands on training and challenging learning assignments. Interns provide DNR with an infusion of energy and new ideas.

Interns must be enrolled in a college or university program. The program is open to students classified as sophomores and above. 20 Interns will be placed in DNR jobs that align with their majors.

Key Curriculum Areas for SCDNR Interns include: Biology (Wildlife & Marine), Earth Sciences, Criminal Justice, Business Administration (including Finance, Accounting & Retail Management), Media (Graphics & Communication), Civil Engineering and the Humanities.

Internships at Department of Natural Resources...
