

Student Course Access

CREATING ACCOUNT

Note: You only need to create an account one time.

STEP ONE

- Go to <http://courses6.midlandstech.edu>
- Click Midlands Technical College
- Click 'Create an Account' in the box below

Welcome.

Course List	View course information Enroll in courses that allow self-registration
Log In	Log in to WebCT Forgot your login information?
Create Account	Create an account with WebCT

STEP TWO

- In the box below, key in the requested information.
NOTE: Please write down the ID and Password you use in the form below. This is the only way to access your course.

Add User

*User name:

*First name:

*Last name:

Other name:

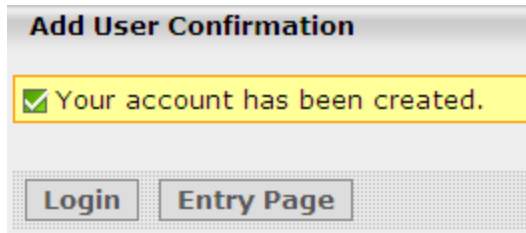

Name prefix:

Name suffix:

E-mail:

VERY IMPORTANT NOTE: Remember to write your Username and Password down and put in a safe place—you will need to know your Username and Password when going to the testing center for tests and/or assignments.

- After filling out the form, you will see the confirmation below:

- Click Entry Page

NOTE: If you get a message to allow your computer to remember your password—**click NO**. This will allow others to access your course.

Congratulations—you now have a webct account

NOTE: You are now ready to [add your courses](#) to your webct account
