Dear MTC Student:

Welcome to the 2008-2009 school year! This school year is going to be a great one, full of new student activities and opportunities for campus involvement.

The Fall semester is going to kick off with Directions and Doughnuts. The first two days of classes we will have tables placed around Airport and Beltline campuses where we will be giving out doughnuts, juice, water, and directions for people who are unfamiliar with MTC campuses. This is a FREE event so stop by and enjoy!

Another event we have planned is the Back-to-School Bash on September 11, 2008 located at the Airport campus Pavilion and September 16, 2008 on the Back patio on the Beltline campus. We will have different vendors from apartment complexes, gyms, banks and we will also have free food. In addition, there will be great door prizes.

Our first Student Advisory Board meeting of the year will be September 10, 2008 at 4 p.m. in the Airport Campus Student Center Room 100. At the Student Advisory Board meetings we discuss campus issues, future student events, and current activities on campus. The meetings are a great time to learn about MTC and all it does in the community. In addition, you can find out how students can be involved in college decisions. All students are welcomed to attend.

I invite you to take time out and attend some of the events I just listed. This is a great way to meet other students and make MTC a community.

I hope you have a great semester and I look forward to seeing you at some events this semester! If you have any questions about our events send us an email at: [studentlife@mtc.mailcruiser.com](mailto:studentlife@mtc.mailcruiser.com).

Sincerely,
