

2010-2011 Ambassadorial Scholarships

The purpose of the Ambassadorial Scholarships program is to further international understanding and friendly relations among people of different countries and geographical areas. The program sponsors several types of scholarships for undergraduate and graduate students as well as for qualified professionals pursuing vocational studies. While abroad, scholars serve as goodwill ambassadors to the host country and give presentations about their homelands to Rotary clubs and other groups. Upon returning home, scholars share with Rotarians and others the experiences that led to a greater understanding of their host country.

Interested applicants must apply for Rotary Foundation Ambassadorial Scholarships through their local Rotary club. Because timelines vary, only your local club can provide specific information about application deadlines. For 2010-11 awards, club deadlines may be as early as 1 March 2009 or as late as 15 August 2009. Remember that availability varies by Rotary district. If your local district is not offering scholarships at this time, try inquiring next year.
