

RADIOLOGIC TECHNOLOGY PROGRAM

Student printed name: _____ **ID #** _____

ADMISSION CRITERIA FOR APPLICATION PROCESS- POINT CHECKLIST

**Radiology Program will count the "D/F/WF" for a prerequisite course as an attempt. A "W" (withdrawal) will not be counted. One must pass the second attempt with a "C" or better to be used. No more than two attempts on two prerequisite classes or a third attempt on a prerequisite one class will be allowed. We follow the School of Healthcare rule on this. Radiology core classes cannot be repeated as they taught one time per year. A student cannot "sit out" a year to take the course again.
