

RADIOLOGY TECHNOLOGY PROGRAM

ADMISSION CRITERIA FOR NEW APPLICATION PROCESS- POINT CHECKLIST

Radiology Program is counting the **FIRST ATTEMPT** at the courses in the criteria – **not the repeated grade**. For example, if a student received a D/F/W/WF the first time she/he took a class, **the D/F/W/WF would count, (0), even if the second attempt was a passing grade**. No more than two attempts on two classes or a third attempt on one class**.
