

MIDLANDS TECHNICAL COLLEGE

ADN PROGRAM OUTCOMES

The Associate Degree Nursing Program at Midlands Technical College strives to prepare the nursing student to provide nursing care within the scope of practice defined by the South Carolina Board of Nursing. The entry level associate degree nurse collaborates with the health care team to manage care for patients across the lifespan, delegates and maintaining professional accountability. Nursing Faculty review the program outcomes on a regular basis to improve student learning outcomes.

NCLEX-RN Pass Rates: The pass rates are based on first time candidates of the National Council of State Boards of Nursing Licensing Exam (NCLEX). The time period is between Jan 01 and December 31 of the reported year. The goal of the nursing faculty is for first time takers of the NCLEX to be in compliance with more than 5% below the annual national pass rate.
