Your Health Information Rights

Access. You have the right to look at or get copies of your health information, with limited exceptions. You must make the request in writing. You may obtain a form to request access by using the contact information listed at the end of this Notice. You may also request access by sending us a letter to the address at the end of this Notice. If you request information that we maintain on paper, we may provide photocopies. If you request information that we maintain electronically, you have the right to an electronic copy. We will use the form and format you request if readily producible. We will charge you a reasonable cost-based fee for the cost of supplies and labor of copying, and for postage if you want copies mailed to you. Contact us using the information listed at the end of this Notice for an explanation of our fee structure. If you are denied a request for access, you have the right to have the denial reviewed in accordance with the requirements of applicable law.

Disclosure Accounting. With the exception of certain disclosures, you have the right to receive an accounting of disclosures of your health information in accordance with applicable laws and regulations. To request an accounting of disclosures of your health information, you must submit your request in writing to the Privacy Official. If you request this accounting more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to the additional requests.

Right to Request a Restriction. You have the right to request additional restrictions on our use or disclosure of your PHI by submitting a written request to the Privacy Official. Your written request must include (1) what information you want to limit, (2) whether you want to limit our use, disclosure or both, and (3) to whom you want the limits to apply. We are not required to agree to your request except in the case where the disclosure is to a health plan for purposes of carrying out payment or health care operations, and the information pertains solely to a health care item or service for which you, or a person on your behalf (other than the health plan), has paid our practice in full.

Alternative Communication. You have the right to request that we communicate with you about your health information by alternative means or at alternative locations. You must make your request in writing. Your request must specify the alternative means or location, and provide satisfactory explanation of how payments will be handled under the alternative means or location you request. We will accommodate all reasonable requests. However, if we are unable to contact you using the ways or locations you have requested we may contact you using the information we have.

Amendment. You have the right to request that we amend your health information. Your request must be in writing, and it must explain why the information should be amended. We may deny your request under certain circumstances. If we agree to your request, we will amend your record(s) and notify you of such. If we deny your request for an amendment, we will provide you with a written explanation of why we denied it and explain your rights.

Right to Notification of a Breach. You will receive notifications of breaches of your unsecured protected health information as required by law.

Electronic Notice. You may receive a paper copy of this Notice upon request, even if you have agreed to receive this Notice electronically on our Web site or by electronic mail (e-mail).
