No (Please continue)

For each period shown, you must provide documentation that shows you entered the United States as a valid non-immigrant and that you adhered to the terms of your visa. For example, if you entered the United States as an international student and remained in that status until your 26th birthday, you would need to provide documentation indicating that you were admitted on an F-1 visa, attended school fulltime as required, and either left the country or changed status when required. Acceptable documents may include copies of your I-20s, visa, and transcripts, or a letter

from the school stating the dates you attended there as a fulltime student. If OPT is authorized, the copy of the I-20 must reflect this. If you were on an H-1 visa, you must provide documentation of your arrival/start date and a copy of the approved "Notice of Action", an official company letter showing your authorized dates of employment, or a W2 form showing you worked for the company that sponsored your visa.

The same applies for all non-immigrant statuses held. You must show your arrival/start date and documentation that shows you remained in good status for the entire period. If you left the country, send a copy of the date stamp showing your arrival back into your country. If you remained in the US and requested a changed of status, send a copy of the approved "Notice of Action" you received from USCIS.

You must include any times that you entered the United States illegally or without inspection, (no documentation is necessary). Likewise, you must list any times when you violated the terms of your visa, overstayed your visa, or for any other reason became an undocumented immigrant.

You should provide as much information as possible. We will use the information you send to determine your registration status. For a list of acceptable documents, please visit <https://www.sss.gov/Portals/0/PDFs/DocumentationList.pdf>.

Please list your immigration history showing all arrivals, departures and other changes in status, starting with the date of arrival that first put you in the United States between your 18th and 26th birthdays and continuing until you were past your 26th birthday. Use a separate sheet if necessary.
