Letter provided to recipients of HEERF grant sent to students via MyMTC email:

Dear Student,

Congratulations on a great start to your Fall semester. We understand these are unprecedented times and are proud of you for your hard work adjusting to the new learning environment during the pandemic. We know it has not been easy, but today I'm writing with some good news.

The American Rescue Plan (ARP) has provided additional funding to help eligible students cover the cost of attending college during the nationally declared pandemic. Such costs include tuition, fees, course materials and technology, as well as food, housing, health care, and childcare. MTC has created a distribution plan for eligible students. You do not need to apply for these funds; we will make the disbursements in accordance with federal guidelines soon. These funds can be found on your bill and schedule listed as "HEERF III Grant".

MTC has partnered with BankMobile to deliver your HEERF III Grant.

If you have previously selected your BankMobile preference, your funds will be delivered as you requested.

If you need to set up a BankMobile account to select your refund preference, you should receive an email informing you that you will receive your BankMobile packet in the mail between 3-5 business days. Please follow the instructions in the packet in order to make your refund preference. Please be sure to verify your address for accuracy on your MyMTC account.

Stay Well,
