

MEDICAL LABORATORY ASSISTANT PROGRAM

PROGRAM OUTCOMES DATA 2024-2026

The MLA program is accredited by NAACLS – National Accrediting Agency for Clinical Laboratory Sciences. Program Outcomes data includes the program graduation rate, credentialing examination pass rate, and job placement rate.

Graduation Rate: is defined by NAACLS as the % of students who have begun the final half of the professional program (the midterm in MLT-125 which takes place in Semester 2) and go on to successfully graduate from the MLA program

Three-Year Average Graduation/Attrition Rate:

Year	Graduation %	Attrition %
2024	-----	-----
2025	-----	-----
2026	100	0

Credentialing Examination Pass Rate: This is the number of students that pass the MLA American Society for Clinical Pathology Board of Certification (MLA-ASCP-BOC) examination on the first attempt within six months of graduation from the program.

MLA-ASCP-BOC Results:

Year	Passing %
2024	-----
2025	-----
2026	100

Job Placement Rate: This is the number of graduates that gain employment in the field (or a closely related field) and/or continued their education within one year of graduation.

Job Placement Rate:

Year	Rate %
2024	-----
2025	-----
2026	100
