## PN PROGRAM OUTCOMES

The Practical Nursing Program at Midlands Technical College strives to provide quality educational programs through continuous program assessment. The entry level practical nurse performs the essential competencies to care for patients with commonly occurring health problems with predictable outcomes. Nursing Faculty review the program outcomes on a regular basis to improve student learning outcomes.

**NCLEX-PN Pass Rates:** The pass rates are based on first time candidates of the National Council of State Boards of Nursing Licensing Exam (NCLEX). The time period is between Jan 01 and December 31 of the reported year. The goal of the nursing faculty is for first time takers of the NCLEX to be in compliance with more than 5% below the annual national pass rate.
