

## **Annual Comprehensive Financial Report**

Fiscal Year Ended June 30, 2022

A component unit of the State of South Carolina

#### STATEMENT OF MISSION

Midlands Technical College is a comprehensive, multi-campus, two-year public college serving the primary region of Richland, Lexington and Fairfield counties of South Carolina. College programs and services provide accessible, affordable, quality education that prepares a diverse student population to succeed in the job market, to transfer to four-year colleges and universities, and to achieve their professional and personal goals. The College equitably provides higher education opportunities that stimulate the local economy by generating a world-class workforce and enhancing the social vitality of the community.

#### PRESIDENT'S LETTER

September 21, 2022

Members of the Midlands Technical College Commission and the Community:

It is an honor to present the Annual Comprehensive Financial Report for fiscal year 2021-2022. Midlands Technical College (MTC) publishes this report annually to share important information concerning our operations and financial position.

I am pleased to announce, as detailed in this annual report, that MTC is in a solid financial position, allowing us to continue to ensure college sustainability and student success. I am also pleased to share some of the notable achievements of our year.

This year, on the Beltline Campus, construction began on a four-story facility that will help the college expand access to business, information technology, math and science programs. The \$30 million facility will replace the Lindau Engineering Technology building built in 1968. The Center for Business and Information Technologies is expected to be completed by October 2022 and occupied in spring 2023.

Funding from competitive grants and generous private support continues to be key in MTC's efforts in regional workforce development and supporting students in their educational pursuits. MTC was awarded \$3.6 million in new competitive grants, and received \$1.8 million from continuing competitive grant funding. The MTC Foundation secured more than \$1.9 million in private funding to support MTC faculty, staff, students and their programs, equipment, and supplies.

This May, 550 graduates of the 1,775 graduates marched in our annual commencement ceremony. Our academic students earned 1,105 associate degrees, 75 diplomas, and 595 certificates this year. Of these students, 124 were dually-enrolled high school students who earned a degree, diploma, or certificate.

Additionally, this year, in Corporate and Continuing Education programs, 9,931 students were served with 25,638 individual course registrations.

Midlands Technical College was named as one of the best employers in South Carolina. In August, Forbes released its annual list of America's Best Employers by State. Midlands Technical College ranked #1 among colleges and universities as well as #2 overall.

Lastly, I am proud to share that the Government Finance Officers Association (GFOA) has awarded Midlands Technical College the Certificate of Achievement for Excellence in Financial Reporting for fiscal year 2020-2021. The certificate is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a public college or university. This is the 26<sup>th</sup> consecutive year Midlands Technical College has received the prestigious national award.

Just as we are proud of all the accomplishments from the past year, we remain dedicated to providing fiscally responsible and innovative educational leadership for years to come.

Respectfully,

Dr. Ronald L. Rhames

Ronald L. Khames

President

September 21, 2022

To: Midlands Technical College Commission, the President, the Executive Council, and the community served by Midlands Technical College

We are pleased to present the Annual Comprehensive Financial Report (Annual Report) of Midlands Technical College (the "College") for fiscal year ended June 30, 2022.

State law, federal guidelines, and certain debt covenants require an annual audit of the College's financial records. The College has contracted with the independent certified public accounting firm, The Brittingham Group, L.L.P., to perform the annual audit of its financial statements and federal awards. The Independent Auditors' Report is included in the financial section of this Annual Report and reflects an unmodified opinion on the basic financial statements. As a recipient of federal financial awards, the College complies with the requirements of the Single Audit Act, and separate Single Audit reports have been issued, which are included in the Federal Awards section.

The management of the College is responsible for the accuracy of the data presented and the completeness and fairness of the presentation, including all disclosures. To the best of our knowledge, the information presented is accurate in all material respects and is comparable to equivalent institutions. All disclosures have been included and will provide the reader with a reasonable understanding of the College's financial activities that support its mission.

The management of the College is responsible for establishing and maintaining the framework of all internal controls. In fulfilling this responsibility, estimates and judgments are required to assess the expected benefits and related costs of policies and procedures related to the internal control framework. The system of internal control is designed to ensure that certain organizational objectives are met. Accordingly, organizational structure, policies, and procedures have been established to safeguard assets; ensure the reliability of accounting data; promote efficient operations; and ensure compliance with established governmental laws, regulations and policies, college policies, and other requirements of those to whom the College is accountable. The internal accounting control structure is designed to provide reasonable, not absolute, assurance that these objectives are met.

The Management's Discussion and Analysis included in the Financial Section provides a detailed explanation of the changes in financial reporting from the prior year and the resulting effects of those changes, and should be read in conjunction with this letter of transmittal.

#### PROFILE OF THE COLLEGE

Midlands Technical College (MTC) is one of 16 colleges included in the South Carolina Technical College System. The State Board for Technical and Comprehensive Education, an agency of the State of South Carolina, governs the system. Midlands Technical College is a comprehensive, public two-year institution that serves Richland, Lexington, and Fairfield counties in the Central Midlands region of South Carolina. The College has six campuses, three in Lexington County, two in Richland County, one in Fairfield County, and a teaching location at Fort Jackson that serves enlisted personnel and civilians.

The College's governing board, the Commission, is appointed by the Governor of South Carolina upon the recommendation of the legislative delegations from Richland, Lexington, and Fairfield counties. The Commission is composed of thirteen members who will serve for a term of four years. Officers are elected every two years, with the chairmanship alternated between the three counties. State law mandates Richland and Lexington counties to provide sufficient funding to build, maintain, and operate the College's physical plant. The division of financial responsibility is based on population and is used each year for budget request purposes from the two counties. The current distribution is 40.56% for Lexington County and 59.44% for Richland County. Fairfield County also provides financial support by funding the difference between the incounty tuition rate and the in-state tuition rate for its residents who attend the College.

Midlands Technical College is reported as a discretely presented component unit in the State of South Carolina's Annual Comprehensive Financial Report.

The Midlands Technical College Foundation, Inc., (the Foundation) is a nonprofit organization that was formed on August 12, 1970, to benefit and support education at Midlands Technical College. It is a legally separate tax-exempt discreet component unit of the College. The Foundation acts primarily as a fundraising organization to supplement the resources that are available to the College in support of its programs. A separate Board of Trustees governs the Foundation. The 20-member Board of the Foundation is self-perpetuating and provides the structure through which individuals, corporations, and other private sector interests can demonstrate their support of the College. The activity of the Foundation is included separately in the College's financial statements.

The Midlands Technical College Enterprise Campus Authority (the Authority) was established in 2004 by S.C. Act 200, codified as sub-article 3, Article 20, Chapter 53, Title 59, of the 1976 South Carolina Code of Laws, as amended. For accounting purposes, the Authority is considered a blended component unit of Midlands Technical College. The Authority was established to provide for the management, development, and operation of the Enterprise Campus of Midlands Technical College, located on the Northeast Campus. The Board of the Authority consists of the members of the Midlands Technical College Commission. The activity of the Authority is blended in the financial statements of the College.

The College's strategic planning process includes extensive planning in preparation of the budget. The original operating budget is based on preliminary estimates and is approved by the Commission in May of each year. During its October meeting, the Commission approves the revised budget, which is prepared after major sources of revenue are known.

An annual facility plan, which outlines the needs for operations and maintenance of plant facilities, is used for the budget requests submitted to the counties. A long-term facility plan is prepared, reviewed, and updated annually as the College's initiatives are revised.

The College maintains controls in line-item budgets, budget transfer restrictions, and the use of an encumbrance accounting system. These budgetary controls ensure compliance with the annual budget adopted by the governing Board. As demonstrated by the financial statements and schedules included in the financial section of this report, the College management continues to meet its responsibility for sound fiscal administration.

#### **ECONOMIC CONDITIONS**

A primary mission of technical colleges is to support economic development through education and training. Midlands Technical College, like all public higher education institutions in South Carolina, is linked to the economic condition of the state and is subject to the funding priorities established by the General Assembly. Additionally, because the College's financial condition is closely connected to the economy in its service area, it is also subject to the priorities of local government.

During fiscal year 2021-2022, the College continued to deal with the impacts of the COVID-19 pandemic. Throughout the year the State's economy continued to strengthen. The South Carolina Board of Economic Advisors saw an increase in the general fund revenues. The revenues had grown significantly more than anticipated; however, the College and the Technical College System Office did not see any major increases in State funding for FY 2021-2022. State government ended FY 2021-2022 with a surplus of funds that the State had never seen in its history. However, there is some uncertainty for FY 2022-2023 as we move forward due to concerns over inflation, the possibility of a recession, and anticipated actions the Federal Reserve may take.

During fiscal year 2021-2022, Richland and Lexington Counties continued to support the College's physical plant operations budget requests and maintained its commitment to the College's capital and debt-service needs by funding the requested amounts. Fairfield County funded the College's budget at the previous year's request. However, Fairfield County supports the only Promise Program the College has for recent high school graduates from Fairfield County.

Midlands Technical College has seen a slight increase in student enrollment. Increases and decreases in student enrollment significantly influence the College's annual budget, as well as tuition revenue. The College continues to implement strategies through its strategic planning process to address the challenges in enrollment and retention issues.

The 2021-2024 Strategic Plan is to reimagine student success and college excellence. The plan has four overarching goals: recruitment, enrollment and economic development; teaching, learning and student support; resource management and diversity equity and inclusion. Some of the priorities of the strategic plan include growing enrollment, increase placement rates, ensure all students have an enriching student learning experience, ensure fiscal needs of the College are met, and create an inclusive environment.

The COVID-19 pandemic had quite an impact on student enrollment for the previous two years. In Fall of 2021, the College began to transition students back into the classroom from virtual learning. In the Fall semester, the College's mix of face-to-face classes was 60% back on campus and 40% virtual. Over the past year the College has seen more and more students coming back to campus and getting back to a new normal. The College continues to monitor the COVID-19 pandemic to safely keep students on campus.

#### **MAJOR INITIATIVES**

As we begin to make our way out of the COVID-19 pandemic, the College has had many exciting new things happening on campus. In Fall of 2021, the College debuted its new official mascot, Midlands Technical College Mavericks. The MTC Mavericks was selected out of thousands of votes cast by students, faculty, staff, and friends of the College. The College introduced Mav the Maverick at the kickoff of Fall classes to faculty, staff and students.

MTC opened the doors of its \$4.5 million Welding Technology Center on the Airport Campus. This new facility will be home to one of the most in-demand programs at the College and is equipped with the latest technology for students to use to expand their welding careers. This new facility includes 64 welding bays, multipurpose classrooms, a fabrication area, and exterior teaching stations that greatly increase the training capacity for this growing program. In addition to the new welding facility, Midlands Technical College hosted its first-ever South Carolina High School

Welding Skills Competition. This event was created to generate interest in welding careers. Welding is one of the most in-demand jobs available in South Carolina and does not require a four-year college degree.

Students from Midlands Technical College Building Construction Technology program won a gold medal at the SkillsUSA National Competition in Spring 2022. This marked the first time that a South Carolina technical college has won a national title in the building trades. The SkillsUSA Championships are career-based competitions that showcase students who are excelling as they learn.

Midlands Technical College has been awarded more than \$7.7 million in SC Workforce Scholarships for the Future. This new program will take care of tuition and fees for students so they can take charge of their future. At MTC, tuition and fees will be covered for qualified students. This grant is an opportunity for South Carolina citizens to begin getting the education and training they need to fill the high-demand careers of today's workforce. The College has more than 150 programs in 8 schools of study that are aligned with the core industries that drive the Palmetto State economy.

## CERTIFICATE OF ACHIEVEMENT FOR EXCELLENCE IN FINANCIAL REPORTING

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Midlands Technical College for its Annual Comprehensive Financial Report for the fiscal year ended June 30, 2021. This was the 26<sup>th</sup> consecutive year that the College has achieved this prestigious award.

In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current annual comprehensive financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to GFOA to determine its eligibility for another certificate.

#### **ACKNOWLEDGEMENTS**

The timely preparation of the Annual Comprehensive Financial Report is a coordinated College-wide effort. We would like to express sincere appreciation to all employees in the Business Affairs Division who contributed to the timely closing of the College's financial records and the preparation of this report; to the Marketing Communications unit for its contributions in design, editing, printing, and publication of the document; and to Institutional Support's Assessment, Research and Planning unit for providing statistical data. Our sincere appreciation is also expressed to other individuals and to our Commission for their support of this initiative.

Jehn M. Walker

#### INDEPENDENT AUDITORS' REPORT

The President and Members of the Area Commission Midlands Technical College Post Office Box 2408 Columbia, South Carolina 29202

#### **Report on the Audit of the Financial Statements**

#### **Opinions**

We have audited the accompanying financial statements of the business-type activities of Midlands Technical College (the "College"), a component unit of the State of South Carolina and a member institution of the South Carolina Technical College System, including its blended component unit, the Midlands Technical College Enterprise Campus Authority (the "Authority"), and its discretely presented component unit, Midlands Technical College Foundation, Inc. (the "Foundation"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the College's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and the discretely presented component unit of the College, as of June 30, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the College and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the College's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue and auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but not absolute assurance and therefore is not a guarantee that an

audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amount and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
  College's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are no conditions or events, considered in the aggregate, that raise substantial doubt about the College's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, Schedule of Proportionate Share of the South Carolina Retirement Systems Net Pension Liabilities, Schedule of South Carolina Retirement Systems Contributions, Schedule of Proportionate Share of the Retiree Health Insurance Trust Fund Other Postemployment Benefits Liabilities, and Schedule of South Carolina Retiree Health Insurance Trust Fund Contributions on pages 15 – 20, 61 - 64 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the College's basic financial statements. The schedule of expenditures of federal awards as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the basic financial statements. The Schedule of Expenditures of Federal Awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### **Other Information**

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

#### Other Reporting Required by Government Auditing Standards

The Brittingham Group LLP

In accordance with *Government Auditing Standards*, we have also issued our report dated September 21, 2022 on our consideration of the College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the College's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the College's internal control over financial reporting and compliance.

# Management's Discussion and Analysis

## **MIDLANDS TECHNICAL COLLEGE**

This page intentionally left blank

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the Annual Comprehensive Financial Report of Midlands Technical College (the College) presents Management's Discussion and Analysis of the College's financial performance during the fiscal year ended June 30, 2022.

This discussion should be read in conjunction with the letter of transmittal, the College's basic financial statements, the component unit's financial statements, and the notes to the financial statements.

#### **COMPONENT UNITS**

The College has included the Midlands Technical College Foundation, Inc., (the Foundation) and the Midlands Technical College Enterprise Campus Authority (the Authority) in its financial statements in accordance with Governmental Accounting Standards Board Statement No. 39, Determining Whether Certain Organizations are Component Units. The Foundation is reported as a discretely presented component unit of the College. The Statement of Financial Position, the Statement of Activities and relevant note disclosures for the Foundation follow the College's financial statements. The governing body of the Authority is essentially the same Board as that of the College and it provides services that benefit the College, although it does not provide services directly to the College; therefore, the Authority is reported as a blended component unit and the activity is included in the financial statements of the College.

Complete financial statements for the Foundation or the Authority may be obtained by mailing a request to Midlands Technical College, Associate Vice President for Business Affairs, Post Office Box 2408, Columbia, South Carolina 29202.

#### **USING THIS ANNUAL REPORT**

Midlands Technical College is pleased to present its financial statements for fiscal year ended June 30, 2022. Comparative financial statements are not presented in this report; however, condensed data is presented in this section, which will aid the reader in assessing the changes in the College's financial position since last year. The emphasis of discussions regarding these statements will focus on the current year.

The College is engaged only in business-type activities that are financed in part by fees charged to students for educational services. Accordingly, its activities are reported using the three financial statements required for proprietary funds: Statement of Net Position; Statement of Revenues, Expenses and Changes in Net Position; and Statement of Cash Flows. These statements present financial information in a format similar to that used by the private sector.

#### STATEMENT OF NET POSITION

The Statement of Net Position provides a snapshot of the College's assets, deferred outflows of resources, liabilities, deferred inflows of resources, and net position (deficit) at the end of the fiscal year. It provides the reader with information concerning the College's ability to continue its operations and to determine its financial stability.

Assets and liabilities are separated into current, those that are due or to be paid within the current year, and non-current, those that are longer term in nature. Net position (deficit) represents total assets and deferred outflows of resources, minus total liabilities and deferred inflows of resources and provides information, in part, concerning any amount available to be spent by the institution.

Net position (deficit) is divided into three major categories. The first category, net invested in capital assets, provides the equity in property, plant, and equipment owned by the College. The next category, which is restricted net position, is expendable in nature and is specifically for capital projects and debt service, as indicated. The final category of net position is unrestricted, and not subject to external stipulations. These amounts represent the net position (deficit) of the Authority and the College's 30-day operating reserve as well as the College's proportionate share of the unfunded pension and other postemployment benefit (OPEB) liabilities.

The following schedule is a condensed version of the College's assets, deferred outflows of resources, liabilities, deferred inflows of resources, and net position (deficit) and is prepared from the Statement of Net Position.

# Condensed Summary of Net Position As of June 30, 2022 and 2021 (in millions)

#### **Assets and Deferred Outflows of Resources**

A strong indicator of the financial health of the College for the year is the approximate 7:1 ratio of current assets in the amount of \$119.7 million to current liabilities in the amount of \$17.0 million. The College maintains fiscally sound budget practices that provide for the conservative balance between the two categories.

Current assets have increased by \$11.3 million. The overall increase is \$17.1 million in total assets for the fiscal year. The increases in current assets are explained as follows:

- Cash decreased by \$2.2 million.
- Short-term investments increased by \$15.5 million due to increase in student tuition and fees revenue, as well as state and local appropriations.
- Accounts receivable and other assets decreased in total by \$2.0 million. This is primarily due to receipts from federal and state grants.

Non-current assets include capital assets net of depreciation and other assets, which is comprised of restricted cash. Capital assets net of depreciation are \$99.0 million for the year, an increase of \$15.8 million over the prior year. Other non-current assets decreased by \$10.0 million over the prior year. The changes from the prior year are explained as follows:

- Construction in progress increased by \$19.4 million due to the College continuing construction of the Business and Information Technologies building.
- Land and improvements increased by \$0.2 million.
- Machinery, equipment and vehicles increased by \$0.2 million.
- Accumulated depreciation increased \$4.0 million as a net result of depreciation expense and retirement of assets.
- Restricted cash decreased by \$10.0 million due to an decrease in the funds held at the State Treasurer's Office due to the 2021B Bond proceeds.

See Note 5, Capital Assets, for additional information.

The following table contains an analysis of capital assets as of June 30, 2022 and 2021.

#### Analysis of Capital Assets As of June 30, 2022 and 2021 (in millions)

			Increase	Percent
l	2022	2021	(Decrease)	Change

Capital Assets	\$ 99.0	\$ 83.2	\$ 15.8	19.0%
				$\overline{}$

Deferred outflows of resources increased by \$3.3 million over the prior year. Deferred outflows related to the College's proportionate share of the state's net pension liability decreased by \$2.6 million. Deferred outflows related to the College's proportionate share of the State's retiree health benefits (OPEB) liability increased by \$5.9 million. This is due to the difference between expected and actual experience and investment earnings.

#### Liabilities and Deferred Inflows of Resources

Total liabilities are \$216.0 million, which is a decrease of \$8.4 million over the prior fiscal year. Current liabilities increased by \$4.4 million. The changes in current liabilities are explained as follows:

- Payroll and related liabilities increased by \$0.4 million.
- Accounts payable increased by \$1.3 million.
- Unearned revenue increased by \$2.6 million due to grant funding received in advance of expenditures and deferred Corporate and Continuing Education tuition for upcoming semesters.
- Current portion of bonds payable increased by \$0.1 million.

Non-current liabilities decreased by \$12.8 million. The changes in non-current liabilities are explained as follows:

- Pension liability decreased by \$19.3 million.
- OPEB liability increased by \$8.8 million.
- Non-current portion of bonds payable decreased by \$2.1 million due to the issuance of the 2021B Bonds.
- Non-current portion of compensated absences decreased by \$0.2 million.

See Note 12, Bonds Payable, and Note 13, Long-Term Liabilities, for additional information.

Deferred inflows of resources increased by \$11.8 million over the prior year. Deferred pension inflows increased by \$11.3 million and deferred OPEB inflows increased by \$0.5 million. Deferred inflows of resources include the calculated difference between actual and projected investment earnings on the State's pension and retiree health benefit plans.

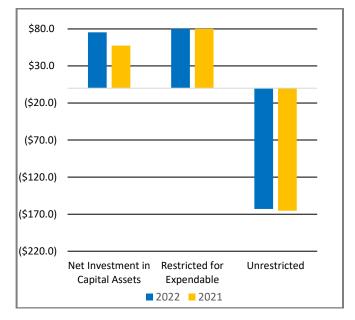

#### **Net Position**

Total net position for the year is \$14.5 million, an increase of \$17.0 million from the prior year. Net investments in capital assets increased by \$17.8 million. This is primarily due to the increase in construction in progress. Restricted net position has decreased by \$3.2 million.

Unrestricted net position (deficit) increased by \$2.4 million. The College's proportionate share of the State's net pension liability and net OPEB liability and related deferred inflows and outflows of resources resulted in a \$2.1 million increase in unrestricted position. Unrestricted net position (deficit) also consists of amounts related to the College's 30-day operating reserve that excludes nonessential expenses totaling \$6.3 million and unrestricted Enterprise Campus Authority funds of \$1.6 million.

The following chart is a graphic representation of the College's net position (deficit) at June 30, 2022 and 2021.

# Comparative Net Position As of June 30, 2022 and 2021 (in millions)

# STATEMENT OF REVENUES, EXPENSES, AND CHANGES IN NET POSITION

The Statement of Revenues, Expenses, and Changes in Net Position present and categorize revenues earned and expenses incurred during the year by operating and nonoperating. Generally, operating revenues and expenses are those that are received and used to carry out the mission of the College. The College depends on financial support from the state and counties for which services are provided. This support is reflected as non-operating revenue based on governmental accounting standards. The College will always reflect an operating deficit due to the dependence on federal, state, and local funding. Non-operating revenues and expenses offset the operating deficit and result in an overall decrease in net position (deficit) for the year. State capital appropriations and capital grants and gifts are considered neither operating nor non-operating revenues and are reported after "loss before capital grants, gifts, other revenues, and appropriations."

#### **Operating Results**

The following schedule summarizes the College's operating results for fiscal year ended June 30, 2022, with comparative data for fiscal year ended June 30, 2021.

# Condensed Summary of Revenues, Expenses, and Changes in Net Position Fiscal Years 2022 and 2021

(in millions)

	2022	2021	Increase (Decrease)	Percent Change

Grants and Contracts	29.8	27.2	2.6	9.6%
Other	(0.9)	0.6	(1.5)	(250.0)%
Total Non-Operating Revenues	69.9	65.2	4.7	7.2%
Interest Expense	(0.6)	(0.3)	(0.3)	(100.0)%
Increase in Net Position	17.0	12.8	4.2	31.8%
Net Position (Deficit), Beginning of Year	(2.5)	(15.3)	12.8	83.7%
Net Position (Deficit), End of Year	14.5	(2.5)	17.0	680.0%
Total Revenues	\$ 130.3	\$ 120.1	\$ 10.2	8.5%

#### Revenue

Total revenue increased by \$10.2 million, which is an increase of 8.5% over the prior year.

Operating revenue increased by \$5.5 million. The College did not implement a tuition increase during the fiscal year. Full-time equivalent enrollment increased by 3.8%. The changes in operating revenue are explained as follows:

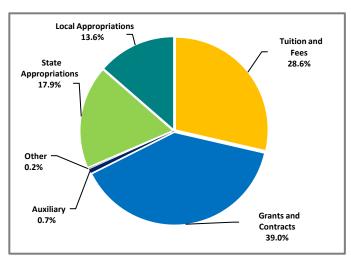

- Tuition and fees, net increased by \$5.8 million due to enrollment growth.
- Auxiliary revenue increased by \$0.3 million.
- Other operating revenue increased by \$0.5 million.
- Federal and state grants decreased by \$1.1 million.

Non-operating revenues increased by \$4.7 million. The changes in non-operating revenues are explained as follows:

- State appropriations increased by \$1.7 million.
- Local appropriations increased by \$1.9 million.
- Non-operating grants and contracts increased by \$2.6 million. This is due to the college receiving Governor's Emergency Education Relief Funding.
- Other non-operating revenue decreased by \$1.5 million due to a decrease in investment income.

The following graph represents sources and percentages of revenue to the College for the fiscal year.

# Revenue by Source Fiscal Year 2022

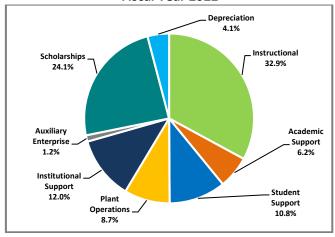

#### **Expenses**

Operating expenses were \$112.7 million for the fiscal year, an increase of \$5.7 million or 5.3% over the prior year. The changes in operating expenses are explained as follows:

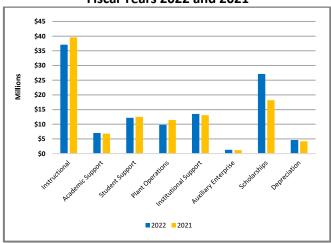

- Scholarships increased by \$8.9 million due to HEERF funding.
- Depreciation increased by \$0.5 million.
- Utilities increased by \$0.1 million.
- Supplies and other expenses increased by \$1.9 million.
- Salaries decreased by \$0.3 million.
- Benefits related to pension expense decreased by \$7.1 million. Benefits related to OPEB expense increased by \$1.7 million.

The following graphs depict operating expenses by function for fiscal year ended June 30, 2022, and a comparison of operating expenses by function for fiscal years ended 2022 and 2021.

# Operating Expenses by Function Fiscal Year 2022

# Comparison of Operating Expenses by Function Fiscal Years 2022 and 2021

#### STATEMENT OF CASH FLOWS

The Statement of Cash Flows is the final statement to be presented. It presents detailed information about the cash activity of the College during the year and provides the reader with the sources and uses of cash by the major categories of operating, non-capital financing, capital and related financing, and investing activities. This statement will always show a net use of cash in the section "Cash Flows from Operating Activities" due to the College's dependence on federal grants, state and local appropriations.

The statement is divided into five parts. The first section reflects the operating cash flows and shows the net cash used by the operating activities of the College. The second section reflects cash flows from non-capital financing activities. This section shows the cash received and spent for non-operating, non-investing, and non-capital financing activities. The third section reflects cash flows from capital and related financing activities and shows the cash used for the acquisition and construction of capital and related items. The fourth section reflects the cash flows from investing activities and shows the purchases, proceeds, and interest received from investing activities. The final section reconciles the net cash used by operating activities to the operating loss reflected on the Statement of Revenues, Expenses, and Changes in Net Position.

Cash decreased by approximately \$12.3 million from last fiscal year. Net cash flows from operating activities increased by \$1.1 million as seen in the chart below.

Cash flows from non-capital financing activity increased an additional \$8.0 million. Capital and related financing activities decreased cash by \$26.3 million primarily due to the purchase of capital assets. Net cash provided by investing activities resulted in a decrease of \$6.1 million from the prior period.

#### Condensed Summary of Cash Flow Fiscal Years 2022 and 2021 (in millions)

	2022	2021	Increase (Decrease)
	2022	2021	(Decrease)
Net cash flow used by			
operating activities	\$ (43.6)	\$ (44.7)	\$ 1.1

Cash – beginning of year	32.8	21.8	11.0
Cash – end of year	\$ 20.5	\$ 32.8	\$ (12.3)
l			

#### **Debt Administration**

The College's financial statements reflect \$19,090,000 in bonds payable. These bonds are general obligation bonds of the State backed by the full faith, credit, and taxing power of the State. Tuition revenue is pledged in excess of the amount of annual debt requirements for the annual payment of principal and interest on the bonds to meet bond covenants, see Note 12.

#### **Economic Factors**

The economic condition of the College is dependent to a large degree on that of student tuition and fees, along with support of the state and local governments. Tuition increases related to planned improvements in the financial ability of the College to implement new programs, fund new facilities, and provide improved supplies and equipment for the College. Student enrollment has increased compared to the prior year. Local government support for the College remains strong and continues to provide funding for ongoing maintenance, renovation, and construction of new facilities. The State of South Carolina's General Fund revenue collections increased significantly over the prior year. The State's actual revenue collections exceeded the beginning-of-year estimates by \$3.7 billion. The College anticipates the financial outlook for FY 2022-2023 will remain stable.

#### **Requests for Information**

Additional information or questions concerning any of the information provided should be requested from the College's Associate Vice President for Business Affairs at Midlands Technical College, PO Box 2408, Columbia, SC 29202, or by email at smithsw@midlandstech.edu.

#### NOTES TO FINANCIAL STATEMENTS

June 30, 2022

# NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Operations**

Midlands Technical College (the College), a member institution of the South Carolina Technical College System, provides a range of educational programs to meet the needs of the adult and high school age population of Richland, Lexington, and Fairfield counties. Included in this range of programs are technical and occupational associate degree, diploma, and certificate curricula that are consistent with the needs of employers in the College's service area. As an integral part of this mission, the College provides a program of continuing education designed to satisfy the occupational demands of employers through retraining and upgrading the skills of individual employees. The College also provides a variety of developmental education programs, support services, and offerings to assist students in meeting their personal and professional educational objectives.

#### **Reporting Entity**

The financial reporting entity, as defined by the Governmental Accounting Standards Board (GASB), consists of the primary government, organizations for which the primary government is financially accountable, and other organizations for which the nature and significance of their relationship with the reporting entity are such that exclusion could cause the financial statements to be misleading or incomplete. Accordingly, the financial statements include the accounts of Midlands Technical College, as the reporting entity, Midlands Technical College Enterprise Campus Authority (the Authority), and the accounts of the Midlands Technical College Foundation (the Foundation), its component units. The College is reported as a discretely presented component unit in the State of South Carolina's Annual Comprehensive Financial Report. However, based on the nature and significance of the Foundation's relationship with the State of South Carolina, the Foundation is not a component unit of the State of South Carolina.

The Midlands Technical College Enterprise Campus Authority (the Authority) was established in 2004 by SC Act 200, codified as sub-article 3, Article 20, Chapter 53, Title 59, of the 1976 South Carolina Code of Laws, as amended. For accounting purposes, the Authority is considered a component unit of Midlands Technical College. The Authority was established to provide for the management, development, and operation of the Enterprise Campus of Midlands Technical College, located on the Northeast

Campus. The Board of the Authority consists of the members of the Midlands Technical College Commission. The activity of the Authority is blended in the financial statements of the College.

The Midlands Technical College Foundation, Inc., (the Foundation) is a private not-for-profit organization that was formed August 12, 1970, to benefit and support education at Midlands Technical College.

The Foundation is a legally separate, tax-exempt component unit of the College. The Foundation acts primarily as a fundraising organization to supplement the resources that are available to the College in support of its programs. The 20-member board of the Foundation is self-perpetuating and consists of graduates and friends of the College. Although the College does not control the timing or amount of receipts from the Foundation, the majority of resources or income thereon that the Foundation holds and invests are restricted to the activities of the College or its students by the donors. Because these restricted resources held by the Foundation can only be used by, or for the benefit of, the College, the Foundation is considered a component unit of the College. The Foundation is reported in separate financial statements because of the difference in its reporting model, as further described below.

#### **Financial Statements**

The financial statements of the College and its blended component unit are presented in accordance with GASB Standards. The financial statement presentation required by these standards provides a comprehensive, entity-wide perspective of the College's net position (deficit), revenues, expenses, changes in net position (deficit), and cash flows.

The financial statements of the Midlands Technical College Foundation are presented in accordance with the accounting principles generally accepted in the United States of America for not-for-profit organizations as issued by the Financial Accounting Standards Board (FASB) through its Accounting Standards Codification. The Foundation's revenue and expenses are recognized as increases and decreases in one of two net asset classifications – without donor restrictions and with donor restrictions.

Financial statements for the Foundation can be obtained by mailing a request to Midlands Technical College Foundation, PO Box 2408, Columbia, South Carolina 29202.

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

# NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Basis of Accounting**

For financial reporting purposes, the College is considered a special-purpose government engaged only in business-type activities. Accordingly, the College's financial statements have been presented using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when an obligation has been incurred. Student tuition and auxiliary enterprise fees are presented net of scholarships and fellowships applied to student accounts, while stipends and other payments made directly are presented as scholarship expenses. All significant intra-institutional transactions have been eliminated.

The Foundation's statements are presented on the accrual basis of accounting in accordance with FASB pronouncements. Therefore, certain revenue recognition criteria and presentation features are different from GASB criteria and presentation features. No modifications have been made to the Foundation's financial statements included in the College's financial reporting entity for these differences.

#### **Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the use of estimates. Actual amounts may differ from the estimates used.

#### **Cash and Cash Equivalents**

For purposes of the statement of cash flows, the College considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. Funds invested through the South Carolina State Treasurer's Office are considered cash equivalents.

#### **Investments**

Deposits and investments for the College are governed by the South Carolina Code of Laws, Section 11-9-660, "Investments of Funds." Governmental Accounting Standards require disclosures related to deposit risks, such as custodial credit risk; and investment risks, such as credit risk (including custodial credit risk and concentrations of credit risks) and interest rate risk. The College accounts for

its investments at fair value. Changes in unrealized gain (loss) on the fair value of investments are reported as a component of investment income in the statement of revenues, expenses, and changes in net position.

#### **Accounts Receivable**

Accounts receivable consists of tuition and fee charges to students, gift pledges, certain state and local funding; and auxiliary enterprise services provided to students, faculty, and staff. Accounts receivable also includes amounts due from the federal government, state and local governments, or private sources, in connection with reimbursement of allowable expenditures made pursuant to the College's grants and contracts. Accounts receivable are recorded net of estimated uncollectible amounts.

#### **Capital Assets**

Capital assets are recorded at cost at the date of acquisition or acquisition value at the date of donation in the case of gifts. The College follows capitalization guidelines established by the State of South Carolina. All land is capitalized, regardless of cost. Qualifying improvements that rest in or on the land itself are recorded as depreciable land improvements. Major additions and renovations and other improvements that add to the usable space, prepare existing buildings for new uses, or extend the useful life of an existing building are capitalized. The College capitalizes movable personal property with a unit value in excess of \$5,000 or more and a useful life in excess of two years; depreciable land improvements, buildings and improvements; and intangible assets costing \$100,000 or more.

Routine repairs and maintenance and library materials, except individual items costing \$5,000 or more, are charged to operating expenses in the year in which the expense is incurred. Certain works of art are considered inexhaustible. These capital assets are not subject to depreciation.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets, generally 15 to 50 years for buildings and improvements and land improvements and 2 to 25 years for machinery, equipment,

## **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

and vehicles. Effective July 1, 2012, the State of South Carolina adopted a monthly depreciation convention for the straight-line method. Under this convention, depreciation is recognized in the month of purchase on prorata basis of days placed in service. At the end of the life of the asset, a prorated amount of depreciation is recognized for the days within the month until the assets are removed from service.

### **Deferred Outflows/Inflows of Resources**

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represent a consumption of net assets that applies to future periods and so will not be recognized as an outflow of resources (expense) until then.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represent an acquisition of net assets that applies to future periods and so will not be recognized as an inflow of resources (revenue) until that time.

### **Unearned Revenues and Deposits**

Unearned revenues include amounts received for tuition and fees and certain auxiliary activities prior to the end of the fiscal year but related to the subsequent accounting period. Unearned revenues also include amounts received from grant and contract sponsors that have not yet been earned.

Deposits represent student fee refunds and other miscellaneous deposits. Student deposits are recognized as revenue during the semester for which the fee is applicable, and earned when the deposit is nonrefundable to the student under the forfeit terms of the agreement.

### **Compensated Absences**

Employee vacation pay expense is accrued at year-end for financial statement purposes. The liability and expense incurred are recorded at year-end as a component of current and long-term liabilities in the statement of net position and as a component of benefit expenses in the statement of revenues, expenses, and changes in net position.

#### **Pension Liability**

As required under Government Accounting Standards, the College recognizes in their financial statements their proportionate share of pension liability as a participant in the South Carolina Retirement Systems. See Note 6 for additional information.

### Other Postemployment Benefits (OPEB) Liability

As required under Government Accounting Standards, the College recognizes in their financial statements their proportionate share of other postemployment benefits (OPEB) liability as a participant in the State of South Carolina's cost-sharing retiree health insurance trust fund. See Note 7 for additional information.

### **Net Position (Deficit)**

The College's net position (deficit) is classified as follows:

- Net investment in capital assets: This represents the College's total investment in capital assets, net of outstanding debt obligations related to those capital assets. To the extent debt has been incurred but not yet expended for capital assets, such amounts are not included as a component of net investment in capital assets.
- Restricted net position expendable: Restricted expendable net position includes resources in which the College is legally or contractually obligated to spend resources in accordance with restrictions imposed by external third parties.
- Restricted net position non-expendable: Non-expendable restricted net position consists of endowment and similar type funds in which donors or other outside sources have stipulated, as a condition of the gift instrument, that the principal is to be maintained inviolate and in perpetuity, and invested for the purpose of producing present and future income, which may either be expended or added to principal. The College does not currently report any net position in this classification.

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Unrestricted net position (deficit): Unrestricted net position (deficit) represent resources derived from student tuition and fees, appropriations, and sales and services of educational departments and auxiliary enterprises. These resources are used for transactions relating to the educational and general operations of the College, and may be used at the discretion of the governing board to meet current expenses for any purpose. These resources also include auxiliary enterprises, which are substantially self-supporting activities that provide services for students, faculty, and staff.

The College's policy for applying expenses that can use both restricted and unrestricted resources is delegated to the departmental administrative level. General practice is to first apply the expense to restricted resources and then to unrestricted resources.

#### **Income Taxes**

The College is exempt from income taxes under the Internal Revenue Code.

#### **Classification of Revenues and Expenses**

The College has classified its revenues and expenses as either operating or non-operating according to the following criteria:

Operating revenues and expenses: Operating revenues generally result from exchange transactions to provide goods or services related to the College's principal ongoing operations. These revenues include (1) student tuition and fees received in exchange for providing educational services and other related services to students; (2) receipts for scholarships where the provider has identified the student recipients; (3) fees received from organizations and individuals in exchange for miscellaneous goods and services provided by the College; and (4) grants and contracts that are essentially the same as contracts for services that finance programs the College would not otherwise undertake. Operating expenses include all expense transactions incurred other than those related to investing, non-capital, or non-capital financing activities.

 Non-operating revenues and expenses: Non-operating revenues include activities that have the characteristics of non-exchange transactions. These revenues include gifts and contributions, appropriations, investment income, and any grants and contracts that are not classified as operating revenue or restricted by the grantor to be used exclusively for capital purposes.

#### Sales and Services of Educational and Other Activities

Revenues from sales and services of educational and other activities generally consist of amounts received from instructional activities that incidentally create goods and services that may be sold to students, faculty, staff, and the general public. The College receives such revenues primarily from the automotive and dental auxiliary departments.

#### **Auxiliary Enterprises and Internal Service Activities**

Auxiliary enterprise revenues primarily represent revenues generated by bookstores, food services, the Authority facility rentals, and vending. Revenues of internal service and auxiliary enterprise activities and the related expenditures of College departments have been eliminated.

#### **Scholarship Discounts and Allowances**

Student tuition and fee revenues, and certain other revenues from students, are reported net of scholarship discounts and allowances in the statement of revenues, expenses, and changes in net position. Scholarship discounts and allowances are the difference between the stated charge for goods and services provided by the College, and the amount that is paid by students and/or third parties making payments on the students' behalf. Certain governmental grants and other federal, state or nongovernmental programs are recorded as operating revenues in the College's financial statements. To the extent that revenues from such programs are used to satisfy tuition and fees and other student charges, the College has recorded a scholarship discount and allowance.

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Capitalized Interest**

The College's policy is to capitalize as a component of construction in progress interest cost in excess of earnings on debt associated with capital projects that will be capitalized in the applicable capital asset categories upon completion. The College incurred \$612,432 of interest cost during the year ended June 30, 2022, all of which was expensed.

### **Discretely Presented Component Unit**

What follows below are the more significant accounting policies of the College's Discretely Presented Component Unit (Midlands Technical College Foundation).

The financial statement presentation by the Foundation is in accordance with the accounting principles generally accepted in the United States of America for not-for-profit organizations as issued by the Financial Accounting Standards Board (FASB) through its Accounting Standards Codification (ASC). The guidance from FASB requires organizations like the Foundation to report information regarding its financial position and activities according to two classes of net assets as follows:

- Without Donor Restrictions Net assets that are not subject to or are no longer subject to donor-imposed stipulations.
- With Donor Restrictions
  - Restricted by purpose or time Net assets that are subject to donor-imposed stipulations that will be met by actions of the Foundation and/or passage of time.
  - o Restricted in perpetuity Net assets that are subject to donor-imposed stipulations that require them to be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on related investments for general or specific purposes.

Revenue, Gains and Other Support and Expenses and Losses - Revenues are reported as increases in the net assets classification without donor restriction unless use of the related assets is limited by donor-imposed restrictions. Contributions, including unconditional promises to give, are recognized as revenue in the period received. Conditional promises to give are not recognized as revenue until the conditions on which they depend are substantially met. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as without donor restriction support. Increases in the allowance for uncollectible pledges are netted against contribution income. Expenses are reported as decreases in the without donor restrictions net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in without donor restriction net assets unless their use is restricted by explicit donor stipulation or by law.

Donated Services, Goods, and Facilities — A substantial number of hours to the Foundation's program services and fundraising campaigns during the year; however, these donated services are not reflected in the financial statements since the services do not require specialized skills. During the year ended June 30, 2022, the Foundation received in-kind contributions valued at \$151,182. Substantially, all contributions of equipment to the Foundation become property of the College upon receipt of the property from the donor. Accordingly, the Foundation records the contributions at their fair value with an offset to college support in these financial statements.

Cash and Cash Equivalents – Cash and cash equivalents consist of cash held in checking and money market accounts with maturities of less than 90 days. Management believes the Foundation is not exposed to any significant credit risk on cash or cash equivalents.

Investments – Investments in marketable securities with readily determinable fair market values and all investments in debt securities are valued at their fair values in the statement of financial position. Investment in real estate is reported at the lower of cost or market. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statement of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law. Securities or other investments donated are recorded at their market value at the date of the gift.

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Concentrations of Credit and Market Risk — Financial instruments that potentially expose the Foundation to concentrations of credit and market risk consist primarily of cash equivalents and investments. Cash equivalents are maintained at high-quality financial institutions and credit exposure is not limited to any one institution. The Foundation has not experienced any losses on its cash equivalents. Management believes that the Foundation's investment portfolio is adequately diversified among issuers. In addition, management believes that the Foundation has the ability to hold its investment portfolio during periods of temporary market declines.

Income Taxes – Midlands Technical College Foundation, Inc. has received a determination letter from the Internal Revenue Service that it is exempt from federal income taxes under Section 501 (c)(3) of the Internal Revenue Code (the "IRC"). However, it would be subject to tax on income unrelated to its exempt purposes (unless that income is otherwise excluded by the IRC). The tax years ending June 30, 2022, 2021, 2020, and 2019 are still open to audit for both federal and state purposes. The Foundation is not classified as a private foundation.

#### **NOTE 2 – STATE APPROPRIATIONS**

State funds for the South Carolina Technical College System are appropriated to the State Board for Technical and Comprehensive Education (the Board), and the Board allocates funds budgeted for the technical colleges in a uniform and equitable manner. Appropriations are recognized as revenue when received and available.

**Non-Capital and State Capital Appropriations** 

**Total Non-Capital and State Capital Appropriations** 

Amounts that are not expended by fiscal year-end lapse are required to be returned to the General Fund of the State unless the Board receives authorization from the General Assembly to carry the funds over to the next year.

The following is a reconciliation of the state appropriations revenue reported in the financial statements for the fiscal year ended June 30, 2022:

\$ 23,269,831

• • • • • • •	
Non-Capital Appropriations:	
Appropriations per State Board allocation	\$ 19,283,202
Appropriations from SC Education Lottery Fund	15,425
Other:	
Nursing Funding	367,439
Critical Needs Nursing Initiative	37,586
Pathways	37,784
Truth Initiative	1,438
QuickJobs	1,056,952
Dual Enrollment	1,599,854
Total Non-Capital Appropriations	22,399,680
Capital Appropriations:	
Lottery Technology	15,353
High Demand Job Skill Training Equipment	854,798
Total Capital Appropriations	870,151

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

#### **NOTE 3 – DEPOSITS AND INVESTMENTS**

**Deposits** – Deposits include cash and cash equivalents on deposit in banks and are held by the State Treasurer. At yearend, the College's carrying amount of deposits with banks was \$13,394,036. The bank balances were \$15,737,359, of which \$2,248,008 was covered by FDIC insurance. The balance was collateralized with securities held by a third-party financial institution (as the College's agent) in the College's name.

Restricted Cash – The State Treasurer held \$8,369,608 in its pooled cash funds in the College's name. Restricted cash includes \$3,076,963 held for debt service reserve funds; \$5,184,323 held for maintenance, repair, and replacement; and \$108,322 for construction as required by bond indentures. State law requires full collateralization of all State Treasurer bank balances. The State Treasurer must correct any deficiencies in collateral within seven days. With respect to investments in the State's internal cash management pool, all of the State Treasurer's investments are insured or registered or are investments for which the securities are held by the State or its agent in the State's name. Information pertaining to the reported amounts, fair values, and credit risk of the State Treasurer's investments is disclosed in the Annual Comprehensive Financial Report of the State of South Carolina.

**Foreign Currency Risk** – Foreign currency risk is the risk that variances in exchange rates will adversely affect the fair value of a deposit. The College's policy is to not maintain deposits that are denominated in a currency other than the United States dollar, and therefore, is not exposed.

**Investments** – The College's investments at June 30, 2022, are *not* with the South Carolina State Treasurer's Office and are alternatively held by certain financial institutions in the College's name. The fair value of investments at June 30, 2022, consists solely of certificates of deposits or United States government-backed securities with maturities of one to three years. All of the securities for the reporting period were either fully collateralized or insured by the Federal Deposit Insurance Corporation.

**Custodial Credit Risk** — Custodial credit risk for investments is the risk that, in the event of the failure of a counterparty to a transaction, the College will not be able to recover the value of investments or collateral securities that

are in the possession of an outside party. The College's investment policy limits its investments to the safest types of securities, and structures its investment portfolio so securities mature to meet cash requirements for ongoing operations, which therefore prevents the need to sell securities prior to maturity. The College monitors its investments periodically to ensure that the collateral exceeds the market value of investments.

**Credit Risk** – Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The College's policy regarding credit risk of investments is that it only uses high-quality brokers and financial institutions to manage its investment portfolios. In addition, the College's investments include only obligations of the United States Government Sponsored Enterprise Debt.

All Agencies carry credit ratings of Moody's Aaa long term and P-1 short term and S&P is AA+ long term and A-1 short term. The Agencies strive to maintain the market perception of credit risk on par with that of the U.S. Government.

**Concentration of Credit Risk** – Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investment in a single issuer.

**Credit Risk Concentration** – Investments by issuers are as follows:

		% of
	Fair Value	Investments
Federal Farm Credit Bank	\$ 47,769,326	48.8%
Freddie Mac Discount Note	22,178,649	22.7%
Federal Home Loan Bank	20,528,455	20.9%
Fannie Mae	7,404,542	7.6%
Total	\$ 97,880,972	100.0%

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## NOTE 3 – DEPOSITS AND INVESTMENTS (Continued)

Interest Rate Risk – Interest rate risk is the risk that changes in interest rates of debt investments will adversely affect the fair value of an investment. It occurs because potential purchasers of debt securities will not agree to pay face value for those securities if interest rates subsequently increase, thereby affording potential purchasers more favorable rates on essentially equivalent securities. Part of the interest rate risk experienced with debt securities is maturity risk. The College's investment policy is to structure its investment portfolio so securities mature to meet cash requirements for ongoing operations to prevent the need to liquidate securities prior to maturity.

		Weighted	Weighted
		Average	Average
	Total	Maturity	Days
Bonds	\$ 97,880,972	0.74%	649
Certificates of			
Deposits	1,248,008	0.24%	509
Total			
Investments	\$ 99,128,980	0.49%	579

## College's Policy Regarding Custodial Risk and Interest Rate Risk for Investments

**Investment Risk** – The College's investment policy states that its primary objectives in priority order of investment activities shall be preservation of capital, liquidity, and yield. The College has no formal investment policy regarding custodial credit risk, although primary objectives are adhered to in accordance with management policy.

A reconciliation of the College's deposits and investments on its statement of net position to this footnote disclosure is as follows:

STATEMENT OF NET POSITION:	
Cash and cash equivalents Restricted cash and cash equivalents Short term investments Total statement of net position	\$ 12,153,503 8,369,608 99,128,980 \$ 119,652,091
DEPOSITS AND INVESTMENTS NOTES:	<del>Ψ 113,032,031</del>
Carrying value of deposits Cash on hand Held by State Treasurer Investments Total deposit and investments notes	\$ 13,394,036 7,475 8,369,608 97,880,972 \$ 119,652,091

## **NOTES TO THE FINANCIAL STATEMENTS**

- CONTINUED -

### **NOTE 4 – RECEIVABLES**

Accounts receivable as of June 30, 2022, including applicable allowances, were as follows:

#### Receivables:

Student accounts	\$ 3,937,068
Company accounts	613,463
Federal grants and contracts	1,607,721
State grants and contracts	2,623,211
Local government	353,080
Other receivables	74,764
Less: Allowance for uncollectibles	(1,584,000)
Receivables, net	\$ 7,625,307

Allowances for losses for student accounts receivable are established based upon actual losses experienced in prior years and evaluations of the current account portfolio.

## **Contributions Receivable – Discretely Presented Component Unit**

Unconditional promises to give as of June 30, 2022, are due as follows:

Within one year	\$ 59 <i>,</i> 377
One to five years	89,039
Total	148,416
Allowance for uncollectible pledges	(1,900)
Present value discount	(12,750)
Contributions receivable, net	\$ 133,766

The discount to net present value was calculated using the estimated earnings rate of 4.90% as of June 30, 2022.

## **NOTES TO FINANCIAL STATEMENTS**

Capital assets, net	\$ 83,194,986	\$ 15,846,514	\$ -	\$ 99,041,500

Depreciation and amortization expense for the current year totaled \$4,633,280.

The College chooses to amortize the lease asset on a straight-line basis based on the term of the lease.

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

#### **NOTE 6 – PENSION PLANS**

### **South Carolina Retirement System**

The majority of employees of Midlands Technical College are covered by a retirement plan through the South Carolina Retirement System (SCRS), a cost-sharing multiple-employer defined benefit pension plan administered by the Retirement Benefits Division of the South Carolina Public Employee Benefit Authority (PEBA). Generally, all full-time or part-time equivalent State employees in a permanent position are required to participate in and contribute to the SCRS as a condition of employment unless exempted by law as provided in Section 9-1-480 of the South Carolina Code of Laws, as amended, or are eligible and elect to participate in the State Optional Retirement Program (ORP). The SCRS plan provides lifetime monthly retirement annuity benefits to eligible members as well as disability, survivor options, annual benefit adjustments, and incidental death benefits to eligible employees and retired members.

PEBA issues a Annual Comprehensive Financial Report containing financial statements and required supplementary information for its Pension Trust Funds. The report is publicly available through the Retirement Benefit's link on PEBA's website at www.peba.sc.gov, or a copy may be obtained by submitting a request to PEBA, 202 Arbor Lake Drive, Columbia, SC 29223. PEBA is considered a division of the primary government of the state of South Carolina and therefore, retirement trust fund financial information is also included in the annual comprehensive financial report of the state.

Under the SCRS, Class II members are eligible for a fullservice retirement annuity upon reaching age 65 or completion of 28 years of credited service regardless of age. Employees who first became members of the System on or after July 1, 2012 are considered Class III members and are eligible for a full-service retirement annuity upon reaching age 65 or upon meeting the rule of 90 requirement (i.e., the member's age plus the years of service add up to a total of at least 90). The benefit formula for full-service retirement annuity effective since July 1, 1989 for the SCRS is 1.82% of an employee's average final compensation (AFC) multiplied by the number of years of credited service. For Class II members, AFC is the average annual earnable compensation during 12 consecutive quarters and includes an amount for up to 45 days termination pay at retirement for unused annual leave. For Class III members, AFC is the average annual earnable compensation during 20 consecutive

quarters, and termination pay for unused annual leave at retirement is not included. Early retirement options with reduced benefits are available as early as age 55 for Class II members and age 60 for Class III members. Class II members are vested for a deferred annuity after five years of earned service. Class III members are vested for a deferred annuity after eight years of earned service. Members qualify for a survivor's benefit upon completion of 15 years of credited service (five years effective January 1, 2002).

Disability annuity benefits are available to Class II members if they have permanent incapacity to perform regular duties of the member's job and they have at least five years of earned service (this requirement does not apply if the disability is a result of a job-related injury). Class III members can apply for disability annuity benefits provided they have a permanent incapacity to perform the regular duties of the member's job and they have minimum of eight years of credited service. For disability applications received after December 31, 2014, a member of SCRS will have to be approved for disability benefits from the Social Security Administration in order to be eligible for SCRS disability retirement benefits. An incidental death benefit equal to an employee's annual rate of compensation is payable upon the death of an active employee with a minimum of one year of credited service or to a working retired contributing member. There is no service requirement for death resulting from actual performance of duties for an active member. For eligible retired members, a lump-sum payment is made to the retiree's beneficiary of up to \$6,000 based on years of service at retirement. TERI participants and retired contributing members are eligible for the increased death benefit equal to their annual salary in lieu of the standard retired member benefit.

Effective July 1, 2021, employees participating in the SCRS were required to contribute 9.00% of all earnable compensation. The employer contribution rate for SCRS was 22.81%. Included in the total SCRS employer contribution rate is a base retirement contribution of 16.41%, 0.15% for the incidental death program, and a 6.25% surcharge that will fund retiree health and dental insurance coverage. The College's actual contributions to the SCRS for the years ended June 30, 2022, 2021, and 2020 were approximately \$5,923,756, \$5,579,233 and \$5,844,882 respectively, and equaled the base required retirement contribution rate, excluding retiree insurance surcharge and incidental death benefit program contributions of 16.41% for 2022, 15.41% for 2021, and 15.41% for 2020.

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## **NOTE 6 – PENSION PLANS (Continued)**

Also, the College paid employer incidental death benefit program contributions of approximately \$54,148, \$54,308 and \$56,894, at the rate of 0.15% of compensation for the current fiscal years ended June 30, 2022, 2021, and 2020, respectively.

#### **Police Officers Retirement System**

The South Carolina Police Officers Retirement System (PORS) is a cost-sharing multiple-employer defined benefit public employee retirement plan. Generally, all full-time employees whose principal duties are the preservation of public order or the protection or prevention and control of property destruction by fire are required to participate in and contribute to PORS as a condition of employment. This plan provides for lifetime monthly annuity benefits as well as disability, survivor benefits, and incidental death benefits to eligible employees and retirees. In addition, participating employers in the PORS may elect to contribute to the accidental death program that provides annuity benefits to beneficiaries of police officers and firemen killed in the actual performance of their duties. These benefits are independent of any other retirement benefits available to the beneficiary.

Under the PORS, Class II members are eligible for a fullservice retirement annuity upon reaching age 55 or completion of 25 years of credited service regardless of age. Class III members are eligible for a full-service retirement annuity upon reaching age 55 or 27 years of credited service. The benefit formula for full benefits for the PORS is 2.14% of an employee's average final compensation (AFC) multiplied by the number of years of credited service. For Class II members, AFC is the average annual compensation during 12 consecutive quarters and includes an amount for up to 45 days termination pay for unused annual leave. For Class III members, AFC is the average annual earnable compensation during 20 consecutive quarters and termination pay for unused annual leave at retirement is not included. PORS does not have an early retirement option. Class II members are vested for a deferred annuity after five years of earned service. Class III members are vested for a deferred annuity after eight years of earned service. Members qualify for a survivor's benefit upon completion of 15 years of credited service (five years effective January 1, 2002).

Effective July 1, 2021, employees participating in the PORS were required to contribute 9.75% of all earnable compensation. The employer contribution rate for PORS was 25.49%. Included in the total PORS employer contribution rate is a base retirement contribution of 18.84%, 0.20% for the incidental death benefit program, 0.20% for the accidental death program, and a 6.25% surcharge that will fund retiree health and dental insurance coverage. The College's actual contributions to the PORS for the years ended June 30, 2022, 2021, and 2020 were approximately \$81,904, \$80,667 and \$80,021, respectively, and equaled the base retirement required contribution rate, excluding surcharge and death program contributions, of 18.84% for 2022, 17.84% for 2021 and 17.84% for 2020. The College also employer incidental death benefit program contributions of approximately \$869, \$904 and \$897, at the rate of 0.20% of compensation for the current fiscal years ended June 30, 2022, 2021, and 2020, respectively. In addition, the College paid accidental death program contributions of approximately \$869, \$904 and \$897, at the rate of 0.20% of compensation for the current fiscal years ended June 30, 2022, 2021, and 2020, respectively.

### **Optional Retirement Program**

As an alternative to membership in the SCRS, newly hired employees of the College may elect to participate in the State Optional Retirement Program (ORP), a defined contribution retirement plan. The ORP was established in 1987 under Title 9, Chapter 20, of South Carolina Code of Laws. State ORP participants direct the investment of their funds into a plan administered by one of four investment providers. The State assumes no liability for the State ORP plan other than for the employer's payment of contribution to designated companies. To elect participation in the ORP, eligible employees must elect membership within their first 30 days of employment. Under State law, contributions to the ORP are required at the same rates as for the SCRS, 16.41% plus the retiree surcharge of 6.25% from the employer in fiscal year 2022. Of the 16.41% employer retirement contribution rate, the employer remits 11.41% directly to the participant's ORP account, and the remaining 5.00% retirement contribution and 0.15% incidental death benefit program contribution amounts are remitted to SCRS.

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## **NOTE 6 – PENSION PLANS (Continued)**

For fiscal year 2022, total contributions requirements to the ORP were approximately \$707,598 (excluding the surcharge) from the College as employer and approximately \$558,140 from its employees as plan members. The amounts paid by the College for pension, incidental death program, and accidental death benefit program contributions are reported as employer contribution expenditures within the applicable functional expenditure categories to which the related salaries are charged.

Article X, Section 16, of the South Carolina Constitution requires that all State-operated retirement systems be funded on a sound actuarial basis. Title 9 of the South Carolina Code of Laws of 1976, as amended, prescribes requirements relating to membership, benefit, and employee/employer contributions for each retirement system. Employee and employer contribution rate to SCRS are actuarially determined.

While the surcharge to fund retiree health and dental insurance benefits is collected by the Retirement Benefits

Division of PEBA, it is remitted to the Insurance Benefits Division of PEBA, which is responsible for administration of retiree health and dental insurance benefits and establishment of the applicable retiree insurance surcharge rate.

#### **Net Pension Liability**

At June 30, 2022, the College reported \$77,523,371 for its proportionate share of the net pension liabilities of SCRS and \$758,903 for PORS. The net pension liability defined of the SCRS and PORS defined benefit pension plan was determined based on the July 1, 2020 actuarial valuations, using the most recent membership data, projected forward to June 30, 2021, and financial information of the pension trust funds as of June 30, 2021, using generally accepted actuarial procedures. The College's portion of the net pension liability was based on the College's share of contributions to the pension plans relative to the contributions of all participating entities. At June 30, 2021, the College's SCRS proportion was 0.358% and 0.030% for PORS. For the year ended June 30, 2022, the College recognized a reduction of pension expense of \$5,500,435 for SCRS and \$7,929 for PORS.

## **NOTES TO FINANCIAL STATEMENTS**

## **NOTE 6 – PENSION PLANS (Continued)**

At June 30, 2022, the state reported deferred outflows of resources and deferred inflows of resources to pensions from the following sources:

	Deferred Outflows	Deferred Inflows	Net
Differences between expected and actual			
experience – SCRS	\$ 1,320,521	\$ (104,628)	\$ 1,215,893
Differences between expected and actual			
experience – PORS	25,817	(2,364)	23,453
Net differences between projected and actual			
investments earnings – SCRS	-	(11,261,291)	(11,261,291)
Net differences between projected and actual			
investments earnings – PORS	-	(170,143)	(170,143)
Assumption changes – SCRS	4,243,375	-	4,243,375
Assumption changes – PORS	54,129	-	54,129
Deferred amounts from changes in proportionate			
share and differences between employer			
contributions and proportionate share of total			
plan employer contributions – SCRS	-	(7,093,517)	(7,093,517)
Deferred amounts from changes in proportionate			
share and differences between employer			
contributions and proportionate share of total			
plan employer contributions – PORS	4,732	(24,257)	(19,525)
Contributions made from measurement date to			
June 30, 2022 – SCRS	6,694,803	-	6,694,803
Contributions made from measurement date to			
June 30, 2022 – PORS	83,643		83,643
Total	\$ 12,427,020	\$ (18,656,200)	\$ (6,229,180)

The College reported \$6,694,803 for SCRS and \$83,643 for PORS as deferred outflows of resources related to pensions resulting from contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended June 30,	SCRS	PORS	Net
2023	\$ 4,078,007	\$ 23,815	\$ 4,101,822
2024	2,546,454	11,794	2,558,248
2025	2,057,250	16,093	2,073,343
2026	4,213,829	60,384	4,274,213
	\$ 12,895,540	\$ 112,086	\$ 13,007,626

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## **NOTE 6 – PENSION PLANS (Continued)**

The following table provides a summary of the actuarial assumptions and methods used to calculate the total pension liability as of June 30, 2021.

Actuarial Cost Method Investment Rate or Return<sup>1</sup> Projected Salary Increases Benefit adjustments SCRS
Entry Age Normal
7.0%
3.0% to 11.0% (varies by service)<sup>1</sup>
Lesser of 1% or \$500 annually

PORS

Entry Age Normal
7.0%
3.5% to 10.5% (varies by service)<sup>1</sup>
Lesser of 1% or \$500 annually

South Carolina state statute requires that an actuarial experience study be completed at least once in each five-year period. An experience report on the Systems was most recently issued for the period ending June 30, 2019.

The post-retiree mortality assumption is dependent upon the member's job category and gender. The base mortality assumptions, the 2020 Public Retirees of South Carolina Mortality table (2020 PRSC), was developed using the Systems' mortality experience. These base rates are adjusted for future improvement in mortality using 80% of Scale UMP projected from the year 2020. Assumptions used in the determination of the June 30, 2021, total pension liability are as follows:

Former Job Class	Males	Females
Educators	2020 PRSC Males multiplied by 95%	2020 PRSC Females multiplied by 94%
General Employees and Members of the General Assembly	2020 PRSC Males multiplied by 97%	2020 PRSC Females multiplied by 107%
Public Safety and Firefighters	2016 PRSC Males multiplied by 127%	2020 PRSC Females multiplied by 107%

The long-term expected rate of return on pension plan investments is based upon 20 year capital market assumptions. The long-term expected rate of returns represent assumptions developed using an arithmetic building block approach primarily based on consensus expectations and market based inputs. Expected returns are net of investment fees.

The expected returns, along with the expected inflation rate, form the basis for the revised target asset allocation adopted at the beginning of the 2021 fiscal year. The long-term expected rate of return is produced by weighting the expected future real rates of return by the target allocation percentage and adding expected inflation and is summarized in the table on the following page. For actuarial purposes, the 7.00% assumed annual investment rate of return used in the calculation of the total pension liability includes a 4.75% real rate of return and a 2.25% inflation component.

<sup>&</sup>lt;sup>1</sup> Includes inflation at 2.25%

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## **NOTE 6 – PENSION PLANS (Continued)**

The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

		Expected Arithmetic Real	Portfolio Real Rate of
Allocation/Exposure	<b>Policy Target</b>	Rate of Return	Return
Public Equity	46.0%	6.87%	3.16%
Bonds	26.0%	0.27%	0.07%
Private Equity	9.0%	9.68%	0.87%
Private Debt	7.0%	5.47%	0.39%
Real Assets	12.0%		
Real Estate	9.0%	6.01%	0.54%
Infrastructure	3.0%	5.08%	0.15%
Total Expected Return	100%	-	5.18%
Inflation for Actuarial Purposes			2.25%
		_	7.43%

The discount rate used to measure the total pension liability was 7.0 percent. The projection of cash flows used to determine the discount rate assumed that contributions from participating employers in SCRS and PORS will be made based on the actuarially determined rates based on provisions in the South Carolina Code of Laws. Based on those assumptions, each System's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the

long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Lang Torm Expected

The following table represents the College's proportionate share of the net SCRS and PORS pension liabilities calculated using the discount rate of 7.0%, as well as what the College's respective net pension liabilities would be if it were calculated using discount rate of 1.00% lower (6.0%) or 1.00% higher (8.0%) than the current rate.

#### Sensitivity of the Net Pension Liability to Changes in the Discount Rate

Plan	1% Decrease 6.0%	Current Rate 7.0%	1% Increase 8.0%
SCRS	\$ 101,545,964	\$ 77,523,371	\$ 57,555,628
PORS	1,101,072	758,903	478,615
Total	\$ 102,647,036	\$ 78,282,274	\$ 58,034,243

### **Deferred Compensation Plans**

Several optional deferred compensation plans are available to state employees and employers of its political subdivisions. Certain employees of the College have elected to participate. The multiple-employers plans, created under Internal Revenue Code Sections 457, 401(k), and 403(b), are administered by third parties and are not included in the Annual Comprehensive Financial Report of the State of South Carolina.

Compensation deferred under the plans is placed in trust for the contributing employee. The State has no liability for losses under the plans. Employees may withdraw the current value of their contributions when they terminate state employment. Employees may also withdraw contributions prior to termination if they meet requirements specified by the applicable plan.

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## NOTE 7 – POSTEMPLOYMENT AND OTHER EMPLOYEE BENEFITS

The majority of employees of the College are covered by the South Carolina Retiree Health Insurance Trust Fund (SCRHITF), which was established by the State of South Carolina as Act 195, which became effective in May 2008. The SCRHITF was created to fund and account for the employer costs of the State's retiree health and dental plans. In accordance with Act 195, the SCRHITF is administered by the PEBA, Insurance Benefits and the State Treasurer is the custodian of the funds held in trust. The Board of Directors of PEBA has been designated as the Trustee. The SCRHITF is a cost-sharing multiple-employer defined benefit plans. Article 5 of the State Code of Laws defines the plan and authorizes the Trustee to at any time adjust the plans, including its benefits and contributions, as necessary to insure the fiscal stability of the plans. In accordance with the South Carolina Code of Laws and the annual Appropriations Act, the State provides post-employment health and dental benefits to retired State and school district employees and their covered dependents.

The SCRHITF is a healthcare plan that covers retired employees of the State of South Carolina, including all agencies, and public-school districts. The SCRHITF provides health and dental insurance benefits to eligible retirees. Generally, retirees are eligible for the health and dental benefits if they have established at least ten years of retirement service credit. For new hires beginning employment May 2, 2008 and after, retirees are eligible for benefits if they have established 25 year of service for 100% employer funding and 15-24 years of service for 50% employer funding.

PEBA, Insurance Benefits issues audited financial statements and required supplementary information for the SCRHITF. This information is publicly available through the Insurance Benefits' link on PEBA's website at www.peba.sc.gov or a copy may be obtained by submitting a request to PEBA-Insurance Benefits, 202 Arbor Lake Drive, Columbia, SC 29223. PEBA is considered a division of the primary government of the state of South Carolina and therefore,

SCRHITF fund financial information is also included in the annual comprehensive financial report of the state. Detailed information about the SCRHITF's plan fiduciary net position is available in the separately issued SCRHITF audit report.

Section 1-11-710 of the South Carolina Code of Laws of 1976, as amended, requires this postemployment to be funded through annual appropriations by the General Assembly for active employees to PEBA, Insurance Benefits and participating retirees to PEBA, except for the portion funded through the pension surcharge and provided from the other applicable sources of the PEBA, Insurance Benefits. For active employees who are not funded by State General Fund appropriations, participating employers are mandated by State statue to contribute at a rate assessed each year by the Department of Administration Executive Budget Office.

The covered payroll surcharge for the year ended June 30, 2022 was 6.25%. The South Carolina Retirement System collects the monthly surcharge for all participating employers and remits it directly to the SCRHITF. Other sources of funding for the SCRHITF include mandatory transfers of accumulated PEBA, Insurance Benefits' reserves and income generated from investments. Contributions to the OPEB plan from the College were \$2,670,921 for the year ended June 30, 2022. Employees are not required to contribute to the OPEB plan.

At June 30, 2022, the College reported a liability of \$96,026,932 for its proportionate share of the net OPEB liability. The net OPEB liability was measured as of June 30, 2021, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of that date. The College's proportion of the net OPEB liability was determined by an actuarial valuation as of that date. The College's proportion of the net OPEB liability was based on a projection of the College's long-term share of contributions to the OPEB plan relative to the projected contributions of all participating employers, actuarially determined. At June 30, 2021, the College's proportion was 0.46115%. For the year ended June 30, 2022, the College recognized OPEB expense in the amount of \$3,379,534.

## **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## NOTE 7 – POSTEMPLOYMENT AND OTHER EMPLOYEE BENEFITS (Continued)

At June 30, 2022, the College reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of	Deferred Inflows of	
	Resources	Resources	Net
Assumption changes	\$ 19,522,732	\$ (2,312,202)	\$ 17,210,530
Net difference between projected and actual			
earnings	1,943,283	(2,461,322)	(518,039)
Net difference between projected and actual			
investment earnings	-	(25,966)	(25,966)
Deferred amounts from changes in			
proportionate share and difference between			
employer contributions and proportionate			
share of total plan employer contributions	-	(9,782,122)	(9,782,122)
Current year employer contributions	2,670,921		2,670,921
Total	\$ 24,136,936	\$ (14,581,612)	\$ 9,555,324

The College reported \$2,670,921 as deferred outflows of resources related to OPEB resulting from Fund contributions subsequent to the measurement date will be recognized as a reduction of net OPEB liability in the year ended June 30, 2023.

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year Ended June 30,	Net
2023	\$ (476,620)
2024	(434,102)
2025	(1,171,927)
2026	(1,806,666)
2027	(2,004,519)
Thereafter	(990,569)
	\$ (6,884,403)

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Actuarially determined amounts are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedules of funding progress, presented as required supplementary information following the notes to the financial statements, present multi-year trend information about whether the actuarial values of plan assets are increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

Projections of benefits for financial reporting purposes are based on the substantive plans (as understood by the employer and plan participants) and include the types of benefits provided at the time the valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## NOTE 7 – POSTEMPLOYMENT AND OTHER EMPLOYEE BENEFITS (Continued)

The total OPEB liability in the June 30, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Valuation Date: June 30, 2020

Actuarial Cost Method: Individual Entry – Age Normal

Normal Inflation: 2.25%

Investment Rate of Return: 2.75%, net of OPEB Plan investment expense, including inflation

Single Discount Rate: 1.92% as of June 30, 2021

Demographic Assumptions: Based on the experience study performed for the South Carolina Retirement

Systems for the 5-year period ending June 30, 2019

Mortality: For healthy retirees, the gender-distinct South Carolina Retirees 2020 Mortality

Tables are used with fully generational mortality projections based on a fully generational basis by the 80% of Scale UMP to account for future mortality improvements and adjusted with multipliers based on plan experience.

Healthcare Trend Rate: Initial trend starting at 6.00% and gradually decreasing to an ultimate trend

rate of 4.00% over a period of 15 years.

Retiree Participation: 79% for retirees who are eligible for Funded Premiums.

59% for retirees who are eligible for Partial Funded Premiums. 20% for retirees who are eligible for Non-Funded Premiums.

Notes: The discount rate change from 2.45% as of June 30, 2020 to 1.92% as of June

30, 2021; demographic and salary increases assumptions were updated to reflect the 2020 SCRS experience study and the health care trend rates were

reset to better reflect the plan's anticipated experience.

### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## NOTE 7 – POSTEMPLOYMENT AND OTHER EMPLOYEE BENEFITS (Continued)

The actuarial valuation was performed as of June 30, 2020. Updated procedures were used to roll forward the total OPEB liability to June 30, 2021.

The long-term expected rate of return represents assumptions developed using an arithmetic building block

approach primarily based on consensus expectations and market-based inputs. The expected return, along with the expected inflation rate, form the basis for the target asset allocation adopted at the beginning of the 2018 fiscal year. The long-term expected rate of return is produced by weighting the expected future real rate of return by the target allocation percentage and adding expected inflation.

The information is summarized in the following table:

	Target Asset	Expected Arithmetic Real	Allocation-Weighted Long-Term Expected
Asset Class	Allocation	Rate of Return	Real Rate of Return
U.S. Domestic Fixed Income	80.00%	0.60%	0.48%
Cash Equivalents	20.00%	0.35%	0.07%
Total	100.00%		0.55%
Expected Inflation			2.25%
Total Return			2.80%
Investment Return			
Assumption			2.75%

The Single Discount Rate of 2.45% was used to measure the total OPEB liability for the SCRHITF. The accounting policy for this plan is to set the Single Discount Rate equal to the prevailing municipal bond rate. Due to the plan's investment and funding policies, the difference between a blended discount rate and the municipal bond rate would be less than several basis points (several hundredths of one percent). The following table presents the College's proportionate share of net OPEB liability calculated using a Single Discount Rate of 1.92%, as well as what the College's proportionate share of net OPEB liability would be if it were calculated using a Single Discount Rate that is one percent lower or one percent higher:

	1% Decrease	Current Discount	1% Increase
	0.92%	Rate 1.92%	2.92%
Net OPEB Liability	\$ 115.736.204	\$ 96.026.932	\$ 80.488.598

Regarding the sensitivity of the College's proportionate share of net OPEB liability to changes in the healthcare cost trend rates, the following table presents the College's proportionate share of net OPEB liability, calculated using the assumed trend rates as well as what the College's proportionate share of net OPEB liability would be if it were calculated using a trend rate that is one percent lower or one percent higher:

	Current Healthcare Cost		
	1% Decrease	Trend Rate	1% Increase
Net OPEB Liability	\$ 77,039,444	\$ 96,026,932	\$ 121,327,130

Detailed information about the OPEB plan's fiduciary net position is available in the separately issued SCRHITF financial report.

#### **NOTES TO FINANCIAL STATEMENTS**

- CONTINUED -

## NOTE 8 – CONTINGENCIES, LITIGATION, AND PROJECT COMMITMENTS

The College is party to various lawsuits arising out of the normal conduct of its operations. In the opinion of college management, there are no material claims or lawsuits against the College that are not covered by insurance or whose settlement would materially affect the College's financial position.

The College participates in certain federal grant programs. These programs are subject to financial and compliance audits by the grantor or its representative. Such audits could lead to requests for reimbursement to the grantor agency for expenditures disallowed under terms of the grant. Management believes disallowances, if any, will not be material.

Necessary funding has been obtained for the acquisition, construction, renovation, and equipping of certain facilities, which will be capitalized in the applicable capital asset categories upon completion. At June 30, 2022, the College had remaining commitment balances of approximately \$6,041,309 with certain property owners, engineering firms, construction contractors, and vendors related to these projects. Other capital projects, which are not to be capitalized when completed, are for replacements, repairs, and/or renovations to existing facilities. Remaining commitment balances with certain parties related to these projects total \$149,412 at June 30, 2022.

The College anticipates funding these projects out of current resources, current and future bond issues, private gifts, student fees, and local appropriations. Authorized funds can be requested as needed once state authorities have given approval to begin specific projects and project expenditures have been incurred.

#### NOTE 9 - LEASE OBLIGATIONS

On January 1, 2021, the College entered into a lease agreement of \$135,943 for the use of printing equipment for a five year period. The College entered into this lease with Presidio Technology. Payments of \$31,591 are due in five annual installments with an interest rate of 5.22%. Total intangible right-to use assets acquired under this agreement are \$135,943. The outstanding liability as of June 30, 2022 is \$85,676.

The annual payment schedule for reducing the lease liability is as follows:

Principal Interest		Total
Payments	Payments	
\$ 27,119	\$ 4,472	\$ 31,591
28,534	3,057	31,591
30,023	1,568	31,591
\$ 85,676	\$ 9,097	\$ 94,773
	\$ 27,119 28,534 30,023	Payments         Payments           \$ 27,119         \$ 4,472           28,534         3,057           30,023         1,568

- CONTINUED -

#### **NOTE 10 – LINE OF CREDIT**

The Commission authorized the administration to create a temporary line of credit not to exceed \$1,000,000 if needed to support the operations of the College. The line of credit was not used during the year. At June 30, 2022, the unused amount of the line of credit was \$1,000,000. The College has a monthly line of credit in the purchasing card program of \$500,000 and an executive credit card line of credit of \$140,000. At June 30, 2022, the unused amount from the purchasing card program and executive credit card was \$314,707 and \$123,961, respectively.

#### **NOTE 11 – ACCOUNTS PAYABLE**

Accounts payable as of June 30, 2022, are summarized as follows:

Accounts Payable	\$ 1,837,133
Employee Payable	10,495
Construction Payable	9,223
Retainage Payable	724,171
	\$ 2,581,022

Construction payable are payables from restricted assets.

#### **NOTE 12 – BONDS PAYABLE**

Bonds and note payable consisted of the following at June 30, 2022:

	Interest Rates	Original Balance	Final Maturity	Current Balance
<b>General Obligation Bonds</b>				
Series 2016C	5.0%	\$ 8,765,000	04/01/2027	\$ 4,755,000
Series 2021B	3.0% to 5.0%	15,175,000	04/01/2040	14,335,000
Total Bonds Payable		\$ 23,940,000		\$ 19,090,000

General obligation bonds of the State are backed by the full faith, credit, and taxing power of the State. Tuition revenue is pledged up to the amount of annual debt requirements for the payment of principal and interest on general obligation bonds. The legal debt margin for general obligation bonds is that the maximum amount of annual debt service shall not exceed 90 percent of the sums received from tuition and fees for the preceding fiscal year. Tuition bond fees for the preceding year are \$2,944,389 which results in a legal annual debt service at June 30, 2022, of \$2,649,950. The annual debt service payments for the fiscal year ended June 30, 2022, were \$2,635,950; all issues are subject to arbitrage regulations.

The College reported \$126,486 as deferred outflows of resources due to bond refunding. In fiscal year 2016, the College purchased Series 2016C General Obligation State Institution Refunding Bond to reduce total debt service. This refunding resulted in a deferred loss of prepaid interest that is being amortized over the remaining term of the Series 2007A Bond using the straight-line method. Other amounts reported as deferred outflows of resources related to bond refunding will be recognized in interest expense as follows:

Year ended June 30,	Amount
2023	\$ 25,297
2024	25,297
2025	25,297
2026	25,297
2027	25,298
Total	\$ 126,486

## **NOTES TO FINANCIAL STATEMENTS**

## **NOTE 12 – BONDS PAYABLE (continued)**

The scheduled maturities of the bonds payable are as follows:

<b>General Obligation Bonds</b>	Principal Interest		Total Payments	
2023	\$ 1,735,000	\$ 908,700	\$ 2,643,700	
2024	1,825,000	821,950	2,646,950	
2025	1,915,000	730,700	2,645,700	
2026	2,015,000	634,950	2,649,950	
2027	2,110,000	534,200	2,644,200	
2028-2032	5,265,000	1,554,250	6,819,250	
2033-2037	2,480,000	591,250	3,071,250	
2038-2040	1,745,000	105,750	1,850,750	
Total	\$ 19,090,000	\$ 5,881,750	\$ 24,971,750	

## **NOTE 13 – LONG-TERM LIABILITIES**

Long-term liability activity for the year ended June 30, 2022, was as follows:

	June 30,			June 30,	Due Within
Bonds Payable	2021	Additions	Reductions	2022	One Year
General obligation bonds	\$ 20,735,000	\$ -	\$ (1,645,000)	\$ 19,090,000	\$ 1,735,000
Unamortized bond premium	5,023,815		(398,371)	4,625,444	398,372
Total bonds payable	25,758,815	-	(2,043,371)	23,715,444	2,133,372
Accrued compensated absences	3,514,838	1,359,514	(1,525,084)	3,349,268	305,130
Total long-term liabilities	\$ 29,273,653	\$ 1,359,514	\$ (3,568,455)	\$ 27,064,712	\$ 2,438,502

## **NOTES TO THE FINANCIAL STATEMENTS**

## NOTE 14 - RESTRICTIONS/LIMITATIONS ON NET ASSETS- DISCRETELY PRESENTED COMPONENT UNIT

The Foundation's Board of Trustees has chosen to place the following limitations on net assets without donor restrictions:

Designated for equipment, other programs or general use	\$ 357,324
Total board designated net assets	\$ 357,324

#### Donor restricted net assets:

	Restricted for Purpose or Time	Restricted in Perpetuity	Total Net Assets With Donor Restrictions
Endowment scholarships	\$ (450,911)	\$ 6,796,773	\$ 6,345,862
Endowment programs	(66,024)	3,358,943	3,292,919
Endowment equipment and other programs	(82,104)	1,804,645	1,722,541
General scholarships	868,769	-	868,769
General programs	635,573	-	635,573
General equipment and other programs	1,225,316		1,225,316
Endowment net assets, June 30, 2022	\$ 2,130,619	\$ 11,960,361	\$ 14,090,980

Net assets restricted in perpetuity consist of endowment fund assets to be held indefinitely. The income from the assets can be used to support the Foundation's endowment related activities.

#### Funds with deficiencies:

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or SCUPMIFA requires the Foundation to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature that are reported in net assets with donor restrictions were \$866,799 as of June 30, 2022. These deficiencies resulted from unfavorable market fluctuations and continued appropriations for certain programs.

During the year, net assets with restrictions were released for satisfaction of the following restrictions:

Time restrictions released	
Non-endowed equipment and other programs	\$ 4,901
Total time restrictions released	4,901
Purpose restrictions released	
Non-endowed scholarships	\$ 505,762
Non-endowed programs	142,909
Non-endowed equipment and other programs	17,006
Endowment scholarships	10,840
Endowment programs	87,371
Endowment equipment and other programs	39,761
Total purpose restrictions released	803,649
Total time and purpose restrictions released	\$ 808,550

#### **NOTES TO THE FINANCIAL STATEMENTS**

## NOTE 15 – RELATED ORGANIZATIONS, RELATED PARTY TRANSACTIONS, AND TRANSACTIONS WITH DISCRETELY AND BLENDED PRESENTED COMPONENT UNITS

Certain separately chartered legal entities whose activities are related to those of the College exist primarily to provide financial assistance and other support to the College and its educational programs. Financial statements for these entities are audited by independent auditors and retained by them. They include the Foundation and Enterprise Campus Authority. Management has reviewed its relationship with the Foundation. Because of the nature and the significance of its relationship with the College, the Foundation is considered a component unit of the College.

Following is a more detailed discussion of the Foundation and a summary of significant transactions (if any) between the Foundation and the College for the year ended June 30, 2022.

## The Midlands Technical College Foundation:

The Foundation is a legally separate chartered corporation organized exclusively to receive and manage private funds for the exclusive benefit and support of the Foundation, scholarships for Midlands Technical College students, or other support of Midlands Technical College. The Foundation's activities are governed by its Board of Trustees.

The Foundation exists to provide support of educational programs at Midlands Technical College. All of the Foundation's expenditures are for the operation of the Foundation, scholarships for Midlands Technical College students, or other support of Midlands Technical College. Midlands Technical College provides office space and support services to the Foundation at no cost. Total payments to the College for items such as salary supplements, legislative support, travel and other costs totaled \$657,831 during the 2022 fiscal year.

Total payments to the College for items such as scholarships and grants, and other support for the students totaled \$449,247 during the 2022 fiscal year. Additionally, the Foundation paid the College a total of \$3,000 for administrative services during the year.

The Foundation's net assets as of June 30, 2022, were \$14,912,058.

Amounts due from/to the Foundation as of June 30, 2022, are as follows:

Due from the Foundation \$176,675

.

## NOTE 15 - RELATED ORGANIZATIONS, RELATED PARTY TRANSACTIONS, AND TRANSACTIONS WITH DISCRETELY AND BLENDED PRESENTED COMPONENT UNITS (Continued)

## The Midlands Technical College Enterprise Campus Authority:

The Midlands Technical College Enterprise Campus Authority (ECA), as described in Note 1, is a blended component unit and balances for the ECA are incorporated into these financial statements.

### **NOTES TO THE FINANCIAL STATEMENTS**

- CONTINUED -

## **NOTE 16 – RISK MANAGEMENT**

The College is exposed to various risks of loss and maintains state or commercial insurance coverage for each of those risks. Management believes such coverage is sufficient to preclude any significant uninsured losses for the covered risks. Settlement claims have not exceeded this coverage in any of the past three years.

The State of South Carolina believes it is more economical to manage certain risks internally and set aside assets for claim settlement. Several state funds accumulate assets and the State assumes substantially all the risk for the following claims of covered employees:

- Unemployment compensation benefits
- Worker's compensation benefits for job-related illnesses or injuries
- Health and dental insurance benefits
- Long-term disability and group life insurance benefits

Employees elect health insurance coverage through either a health maintenance organization or through the State's self-insured plan.

The College and other entities pay premiums to the State's Insurance Reserve Fund (IRF), which issues policies, accumulates assets to cover the risk of loss, and pays claims incurred for covered losses relating to the following activities:

- Theft, damage to, or destruction of assets
- Real property, its contents, and other equipment
- Motor vehicles and watercraft
- Torts
- Natural disasters
- Medical malpractice claims against the infirmary

The combined insurance expense for the previously mentioned benefits and insurance for the last three years incurred at the College is as follows:

- 2020 \$5,323,569
- 2021 \$5,221,921
- 2022 \$5,033,536

The IRF is a self-insurer and purchases reinsurance to obtain certain services and to limit losses in certain areas. The IRF's rates are determined actuarially.

The College obtains coverage through a commercial insurer for employee fidelity bond insurance for all employees for losses arising from theft or misappropriation.

## **NOTE 17 – OPERATING EXPENSES BY FUNCTION**

Operating expenses by functional classification for the year ended June 30, 2022, are summarized as follows:

	Salaries	Benefits	Scholarships	Utilities	Supplies and Other Services	Depreciation and Amortization	Total
Instructional	\$ 24,654,233	\$ 7,844,821	\$ -	\$ -	\$ 4,595,860	\$ -	\$ 37,094,914

#### **NOTE 18 – TAX ABATEMENTS**

Midlands Technical College's property tax revenues were reduced by \$504,500 under agreements entered into by Lexington County as of June 30, 2022. The State of South Carolina reimbursed Lexington County \$22,578 of these property tax revenues, which Lexington County disbursed back to the College. See the chart below for further details. Richland County also funds the College based on millage, however, their information was not available at the time the College's financial statements were issued.

	\$ 504,500	\$ 22,578			

## NOTE 19 – TRANSACTIONS WITH OTHER AGENCIES

The College had significant transactions with the State of South Carolina and various agencies. Services received at no cost from state agencies include maintenance of certain accounting records by the Comptroller General; check preparation, banking, bond trustee, and investment services

from the State Treasurer; and legal services from the Attorney General. Other services received at no cost from the various offices of the State Budget and Control Board include pension plan administration, insurance plans administration, grant services, personnel management, assistance in the preparation of the State Budget, review and approval of certain budget amendments, procurement services, and other centralized functions.

### **NOTES TO THE FINANCIAL STATEMENTS**

- CONTINUED -

#### **NOTE 20 - FAIR VALUE**

The College and the Foundation categorize their fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The following levels of input for measurement of fair value have been defined to assist the user in evaluating the fair value disclosure information:

- Level 1 Quoted prices in an active market for identical assets or liabilities.
- Level 2 Other quoted prices in active markets for similar assets or liabilities, quoted prices for identical assets or liabilities in markets that are not active for transactions or availability of information, other observable sources of information, and information derived principally from or corroborated from observable sources of information.
- Level 3 Unobservable sources of information, primarily management's assumptions about potential market participants.

- Contributions receivable-The fair value of promises to give that are due in one year or more is estimated by discounting the future cash flows using observable earnings rate.
- Short-term investments and investments in marketable securities- The fair value of investments are based on quoted market prices.
- Bonds payable- Fair value approximates carrying value since stated rates are similar to rates currently available for debt with similar terms and maturities.

The College has the following recurring fair value measurements as of June 30, 2022:

	Level	Carrying Value	Fair Value
Short-term investments	1	\$ 99,128,980	\$ 99,128,980
Bonds payable	3	\$ 23,715,444	\$ 23,715,444

Changes in Level 3 fair value measurements were as follows:

	Bonds Payable
Ending balance – June 30, 2021	\$ 25,758,815
Principal payments	(2,043,371)
Ending balance – June 30, 2022	\$ 23,715,444

## **NOTES TO THE FINANCIAL STATEMENTS**

- CONTINUED -

## **NOTE 20 – FAIR VALUE (Continued)**

### **Discretely Presented Component Unit**

The estimated fair values of the Foundation's financial instruments are as follows and are included in the statement of financial position under similar descriptions:

	Level	Carrying Value	Fair Value
Investments in Marketable Securities			
Money market funds	1	\$ 856,546	\$ 856,546
Fixed income	2	\$ 3,255,506	\$ 3,255,506
Equities	1	\$ 6,225,116	\$ 6,225,116
Mutual funds	1	\$ 2,806,793	\$ 2,806,793
Alternative investments	1	\$ 1,148,555	\$1,148,555
Contributions receivable	3	\$ 133,766	\$ 133,766

The Foundation recognized a decrease in the amount of \$114,612 in level 3 due to the decrease in contributions receivable during the year.

## **NOTE 21 – SUBSEQUENT EVENTS**

Subsequent events were evaluated through September 21, 2022, which is the date the financial statements were available for issue.

## NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

June 30, 2022

## 1. Changes of Assumptions

Amounts reported for the year ended June 30, 2022 reflect actuarial assumption changes effective July 1, 2020 based on the results of an actuarial experience study completed in 2021.

## STATISTICAL SECTION

This section of the Midlands Technical College Annual Comprehensive Financial Report presents information that will assist in understanding the information in the financial statements, note disclosures, and the required supplementary information about the overall financial health of the College.

CONTENTS	<u>SCHEDULES</u>
Financial Trends  The schedules in this section contain trend information to assist in understanding of how the College's financial performance and well-being have changed over time.	1 - 4
<b>Revenue Capacity</b> The schedules in this section contain information to assess the College's most significant revenue sources.	5 - 8
<b>Debt Capacity</b> The schedules in this section present information that assesses the affordability of the College's current levels of outstanding debt and the ability of the College to issue additional debt in future years.	9 - 10
Demographic and Economic Information  The schedules in this section offer demographic and economic indicators to assist in understanding the environment within which the College's financial activities occur.	11 - 12
<b>Operating Information</b> The schedules in this section contain service and infrastructure data to assist in understanding how the information in the College's financial report relates to the services it provides and the activities it performs.	13 - 14

# **MIDLANDS TECHNICAL COLLEGE**

### **COLLEGE ACCREDITATION AS OF JUNE 30, 2022**

Midlands Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees, diplomas and certificates. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Midlands Technical College.

### **Program Approval and Accreditations**

The Paralegal Studies program is approved by:

• American Bar Association

The Nursing programs are approved by:

South Carolina Board of Nursing (SCBN)

The Nursing Assistant Program is approved by:

• South Carolina Department of Health and Human Services (SC DHHS)

Specific programs are accredited by:

- American Society of Health-System Pharmacists (ASHP)
- Accreditation Council for Pharmacy Education (ACPE)
- Accreditation Commission for Education in Nursing (ACEN)
- Accreditation Council for Business Schools and Programs (ACBSP)
- Commission on Dental Accreditation of the American Dental Association (CODA-ADA)
- Commission on Accreditation in Physical Therapy Education (CAPTE)
- Commission on Accreditation for Respiratory Care (COARC)
- Council on Accreditation of Allied Health Education Programs (CAAHEP)
- Accreditation Review Council on Education in Surgical Technology and Surgical Assisting (ARC-STSA)
- Medical Assisting Education Review Board (MAERB)
- Joint Review Committee on Educational Programs in Nuclear Medicine Technology (JRCNMT)
- Joint Review Committee on Education in Radiologic Technology (JRCERT)
- National Accrediting Agency for Clinical Laboratory Sciences (NAACLS)
- National Association for the Education of Young Children (NAEYC)
- National Automotive Technicians Education Foundation (NATEF)
- Council for Standards in Human Services Education (CSHSE)
- National Institute for Metalworking Skills (NIMS)
- Technology Accreditation Commission of the Accreditation Board for Engineering and Technology; Architectural, Civil and Electronics Engineering Technology (ABET)

### STATEMENT OF NONDISCRIMINATION

Midlands Technical College does not discriminate in admissions, educational programs or employment on the basis of race, sex, sexual orientation, national origin, ethnic group, color, age, religion, disability, genetic information, gender, gender identity, military service, pregnancy, childbirth, or related medical conditions including but not limited to lactation, or any other category protected by applicable law. In compliance with all federal and state laws, including Section 35.107 of the Department of Justice regulations, the Age Discrimination Act of 1967, Tile VI and Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1992 as well as the ADA Amendments of 2008 (ADAA), the South Carolina Pregnancy Accommodations Act of 2018 and the Genetic Information Nondiscrimination Act of 2008 (GINA), Midlands Technical College offers access and equal opportunity in its admissions policies, academic programs and services, and employment of disabled individuals in that no otherwise qualified person will be denied these provisions on the basis of a disability. Midlands Technical College also prohibits retaliation against any person for bringing a complaint of discrimination or for participating in an investigation of a complaint of discrimination. Student inquiries or complaints should be directed to Ms. Debbie M. Walker in her position as Chief Compliance Officer/Title IX Coordinator. She can be reached at Midlands Technical College in Suite 165, Saluda Hall, Airport Campus, 1260 Lexington Drive, West Columbia, SC 29170; by telephone at 803.822.3261; or email at walkerd@midlandstech.edu. Faculty and staff inquiries or complaints should be directed to Ms. Nicole B. Edwards in her position as Director of Human Resource Management/Equal Employment Opportunity (EEO) Officer. She can be reached at Midlands Technical College in Suite 134, Reed Hall, Airport Campus, 1260 Lexington Drive, West Columbia, SC 29170; by telephone at 803.822.3050; or email at edwardsn@midlandstech.edu.

# NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS June 30, 2022

### 1. Description

Midlands Technical College has adopted *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards were adopted to fulfill the financial and compliance audit requirements of federal grantor agencies. For purposes of implementing Uniform Guidance, federal grant awards were susceptible to audit and are included in the Schedule of Expenditures of Federal Awards.

### 2. Summary of Significant Accounting Principles

#### **Basis of Presentation**

The financial activity shown in the Schedule of Expenditures of Federal Awards reflects amounts recorded by the College on the accrual basis, during its fiscal year July 1, 2021 through June 30, 2022.

### 3. Loan Programs

The College has students who have approved Federal Direct Loans. Those loans were disbursed to the students during the current fiscal year. The College is not the lender. The College only processes the loans for the lender, the Department of Education. The total Federal Direct Loans for the current fiscal year were \$8,780,932.

### 4. Indirect Cost

The College has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The President and Members of the Area Commission Midlands Technical College Post Office Box 2408 Columbia, South Carolina 29202

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities and the discretely presented component unit of Midlands Technical College (the "College"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the College's basic financial statements and have issued our report thereon dated September 21, 2022.

### **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the College's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we do not express an opinion on the effectiveness of the College's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the College's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify

any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the College's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the College's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the College's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The President and Members of the Area Commission Midlands Technical College Post Office Box 2408 Columbia, South Carolina 29202

### **Report on Compliance for Each Major Federal Program**

### Opinion on Each Major Federal Program

We have audited Midlands Technical College's (the "College") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the College's major federal programs for the year ended June 30, 2022. The College's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the College complied, in all material respects with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the College and to meet our ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the College's compliance with the compliance requirements referred to above.

### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the College's federal programs.

### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an on the College's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the on compliance about the College's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
  design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding the College's compliance with the compliance
  requirements referred to above and performing such other procedures as we considered
  necessary in the circumstances.
- Obtain an understanding of the College's internal control over compliance relevant to the
  audit in order to design audit procedures that are appropriate in the circumstances and to
  test and report on internal control over compliance in accordance with the Uniform
  Guidance, but not for the purpose of expressing an opinion on the effectiveness of the
  College's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control Over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

### INDEPENDENT ACCOUNTANTS' REPORT ON STATE LOTTERY TUITION ASSISTANCE

The President and Members of the Area Commission Midlands Technical College Post Office Box 2408 Columbia, South Carolina 29202

As a part of our examination of the financial statements of Midlands Technical College (the "College") as of and for the year ended June 30, 2022, we reviewed the administrative procedures and internal control related to the State Lottery Tuition Assistance Program to determine that the College administered the program in accordance with State Law and Policy 3-2-307 and Procedure 3-2-307.1 of the State Board for Technical and Comprehensive Education.

A random sample of 25 students was selected from the College's list of financial aid recipients.

We reviewed the student records maintained by the financial aid office of each applicant randomly selected to determine that they contained all necessary information and documentation to determine eligibility. We also determined that any lottery tuition assistance awarded did not exceed the remaining cost of tuition and academic fees for the applicable semester after first applying Pell grants, Federal Supplemental Education Opportunity Grants, South Carolina Need-Based grants, and other applicable grants.

For students included in our sample not receiving funds from the Lottery Tuition Assistance Program, we determined that the students were granted the right to appeal the decision by submitting a written request to the institution's Director of Financial Aid and determined that the students' requests were handled in accordance with the institution's financial aid procedures as reflected in the student's financial aid record.

We traced amounts to the student account detail to determine that the awarded amounts were identifiably credited to the student's account.

By analytical tools we tested all lottery recipients for the lottery award compliance with restrictions regarding limitations associated with other awards received, amounts received within each term, and eligibility criteria associated with the Life Scholarship program. The results of our tests disclosed no instances of noncompliance that is required to be reported under *Government Auditing Standards*.

The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

In our opinion, the State Lottery Tuition Assistance Program has been administered in accordance with State Law and Policy 3-2-307 and Procedure 3-2-307.1 of the State Board for Technical and Comprehensive Education.

This report is intended solely for the use of management of the College, the Area Commission for Midlands Technical College, management of the South Carolina State Board for Technical and Comprehensive Education, and the South Carolina Commission of Higher Education and should not be used by anyone other than these specified parties.
