## PARENTAL LIFE SCHOLARSHIP AGREEMENT FORM FOR EARLY GRADUATION

### FOR SPRING SEMESTER 2021

This letter is to inform Midlands Technical College that I, \_\_\_\_\_ (*parent/guardian*) understand that Midlands Technical College will hold my student's classes for Spring Semester 2021 until the Commission on Higher Education releases LIFE Scholarship funding to Midlands Technical College.

Based on the LIFE Scholarship criteria listed on MIDLANDSTECH.EDU/financialaid, I believe my child will be eligible to receive the LIFE Scholarship. If it is determined that my child is NOT eligible to receive the LIFE Scholarship, I understand at that time I will become responsible for the payment due for any tuition and fees owed to Midlands Technical College.

I understand that \_\_\_\_\_ (*full name of student*) will complete the admissions process and register for Spring Semester as a full-time college student, taking into consideration that he/she will be an "early graduate" from \_\_\_\_\_ High School.

I understand that the LIFE Scholarship will not be awarded until my child's official high school transcript is sent to Midlands Technical College stating that my child has officially graduated. Before the LIFE Scholarship can be awarded, my child's high school will be required to provide documentation to MTC, which includes a letter from the high school principal (stating the student has met all graduation requirements), and an original high school transcript(s) in an officially sealed envelope. Transcript(s) must include all grades through December/January and include a cumulative GPA based on the S.C. Uniform Grading Policy/GPA Calculation Date. These documents must be received by MTC's Admissions office before February 8, 2021. After these documents are received, I will receive the LIFE affidavit from MTC's Student Financial Aid office, which we will sign and return. I understand that the LIFE Scholarship alone will not cover all fees due to MTC.
