PARENTAL PERMISSION FORM FOR EARLY HIGH SCHOOL GRADUATES

TO BE COMPLETED IF STUDENT IS 17 OR YOUNGER

This letter is to inform Midlands Technical College that I, _____(parent/guardian) give my minor child _____ permission to take classes at Midlands Technical College beginning Spring Semester 2023.

I understand that he/she will complete the admissions process and register for Spring Semester as a full-time college student, taking into consideration that he/she will be an “early graduate” from _____ High School.

I also understand that my child’s high school will be required to provide a letter from the high school principal to Midlands Technical College, stating that my child has met all South Carolina graduation requirements; along with my child’s official final high school transcript (their final semester grades included, including the final GPA). If the letter and final transcript are not received from the high school before February 6, 2023, my child can only be enrolled in two classes until he/she reaches 18 years of age.
