TRANSACTION SAVINGS

Coming to MTC for two years can save you as much as $39,107 in tuition alone.

HOW MUCH
Could You Save?

In addition to traditional federal, state, and college financial resources, MTC students have access to:

S.C. LIFE SCHOLARSHIP

If you are eligible for the S.C. Life Scholarship, most of your tuition and fees will be covered.

S.C. LOTTERY TUITION

Many MTC students are eligible for S.C. Lottery Tuition Assistance (LTA) that can cover approximately half the cost of tuition. These state funds are available to eligible S.C. residents enrolled in at least six credit hours in a qualified major. This assistance is available regardless of financial need – just fill out your FAFSA.

Bridge Programs

MTC’s Bridge Programs, Transfer Programs, and Articulation Agreements are specifically designed to help you transfer to a four-year college or university. Many of these four-year institutions even offer transfer scholarships to MTC students!

Another added bonus — you may be eligible for great perks like joining your chosen four-year college’s band or ROTC program while at MTC.

What is the difference:

MTC Bridge Programs are partnerships with four-year colleges and universities that provide a seamless transition to your selected college or university. You will be linked to your transition college early in your coursework at MTC. Many students will enroll in MTC’s Associate in Arts (AA) or Associate in Science (AS) degree programs; others will enroll in one of MTC’s academic career programs. Be sure to contact the Bridge Program coordinator to find out which MTC degree is right for you.

MTC Transfer Programs are partnerships between four-year colleges and universities and MTC’s Associate in Arts (AA) or Associate in Science (AS) degree programs. You’ll have access to programs and services that make your transfer easy.

MTC Articulation Agreements are partnerships between certain four-year colleges and universities and certain MTC academic career programs. You’ll be given clear pathways and supportive activities that enhance your transfer success.

Which MTC Degree is Right for You?

> Associate in Arts Degree
   This is your start to a four-year degree in Business, Education, English, History, Political Science, Psychology, and other liberal arts disciplines.

> Associate in Science Degree
   This is your start to a four-year degree in Biology, Chemistry, Computer Science, Exercise Science, Information Technology, Mathematics, Physics, and other STEM disciplines.

> Academic Career Programs | Degrees, Diplomas, and Certificates
   This is your start to career advancement in the fields of business, public service, education, engineering, and nursing. Graduates of these programs receive industry recognition that leads to rewarding employment.

How to Sign Up

Bridge Programs
   > When you apply to MTC, contact the Bridge Program coordinator to discuss Bridge Program opportunities. The Bridge Program coordinator will provide information on available opportunities that match your interests.

Transfer Programs and Articulation Agreements
   > By enrolling in the Associate in Arts or Associate in Science programs, you are enrolling in our transfer programs. It is not necessary to identify only one four-year institution you are interested in. To choose an articulation agreement, talk to your advisor in your academic career program about the college or university you want to attend.

Bridge Program Perks

Here is just a partial list of available perks.

- Benedict College | Audition for the Benedict College band or gospel choir.
- Coker College | During the first two years at MTC, receive guidance from both MTC and Coker College representatives.
- Lander University | Free admission to Lander University student activities, cultural venues, and athletic events.
- South Carolina State University | Eligible for SCSU campus activities and athletic events for a nominal fee.
- University of South Carolina | Quality for USC’s ROTC program or audition to take part in the USC Marching Band.

MTC is one of the largest providers of transfer students to colleges and universities in South Carolina.

Earn up to half of your bachelor’s degree at MTC, then transfer to a four-year college — all at significant savings.

This is only a partial list of MTC Bridge Programs, Transfer Programs, and Articulation Agreements. MTC courses transfer to many other colleges and universities in and out of South Carolina. Contact us to learn more.
