Midlands Technical College
Notice of Job Opening

POSITION: Adjunct Welding Instructor (Temporary Position)

DEPARTMENT: Corporate and Continuing Education

HOURS: Day and/or Evening Classes

LOCATION: Airport & Fairfield Campuses

DESCRIPTION OF POSITION: Part-time adjunct instructor needed to teach MIG, TIG, and/or Stick Welding courses either daytime or evening hours. Expertise in print reading and fabrication skills required.

Responsibilities include maintaining a comprehensive, safe program and facilities; training students to safely and effectively operate equipment; ensuring the readiness of facilities for class activities; teaching classroom and laboratory classes; evaluation and reporting of students’ progress and laboratory performance; assigning and assisting students on class projects; creating and delivering lecture demonstrations; giving class lectures and ensuring smooth and safe operation of the teaching space.

MINIMUM QUALIFICATIONS: Must demonstrate excellent verbal and written communication skills. 3 years of experience with welding certifications or training/education in welding and 5 years of welding work experience.

PREFERRED QUALIFICATIONS: Teaching experience in an industrial environment with professional welding certifications such AWS, CWE or CWI.

HIRING RANGE: Depends on Qualifications. Eligible MTC temporary employees will be offered health benefits through the State Health Plan, and an option to join the State Retirement System.

TO APPLY: Email or mail your resume and cover letter to:
