Midlands Technical College
Notice of Job Opening

POSITION:  Adjunct Mechanical Maintenance Instructor (Temporary Position)

DEPARTMENT:  Corporate and Continuing Education

HOURS:  Day and/or Evening Classes

LOCATION:  Airport Campus

Responsibilities include maintaining a comprehensive, safe program and facilities; training students to safely and effectively operate equipment; ensuring the readiness of facilities for class activities; teaching classroom and laboratory classes; evaluation and reporting of students’ progress and laboratory performance; assigning and assisting students on class projects; creating and delivering lecture demonstrations; giving class lectures and ensuring smooth and safe operation of the teaching space.

MINIMUM QUALIFICATIONS:  Associate’s degree in an industrial technology program, with a minimum of 7 years’ experience in an industrial maintenance operation or equivalent experience. A successful candidate must possess the ability to work effectively with others in creatively solving practical problems, be very familiar with current equipment and operation and be able to use discretion when dealing with confidential information/issues. The candidate must have extensive on-the-job experience, knowledge and training experience along with the ability to convey that knowledge to others.

PREFERRED QUALIFICATIONS:  Extensive experience in industrial maintenance. Bachelor’s degree in an industrial field. Candidate must enjoy teaching and be able to communicate the course content effectively to students using a variety of teaching methods.

HIRING RANGE:  Depends on Qualifications. Eligible MTC temporary employees will be offered health benefits through the State Health Plan, and an option to join the State Retirement System.

TO APPLY:  Email or mail your resume and cover letter to:
