Catalog Course Description: This course is a study of basic writing and different modes of composition and may include a review of usage. Those grammar and usage errors that occur frequently and disrupt writing will also be stressed. This course does not meet the requirements for an associate degree, but may meet requirements for a diploma or certificate.

General Education Core Competency Statement: Upon completion of ENG 010, students should be able to perform basic academic writing tasks.

Course Competency: Students who take ENG 010 should be able to
1. Write academic essays appropriate for college level classes.
2. Use words and ideas from external sources effectively and document them correctly.
Performance: Success will be measured by the student’s performance on the final portfolio of essays and other writing assignments.

Fast Track Course Attendance: Students are expected to attend all classes; there are no excused absences. Should a student miss a class, a “W” will be submitted to the registrar to be recorded on the student’s transcript.

Students are expected to be in class for the entire meeting period, with consequences for not doing so as follows:

- Students will be counted absent if they miss more than 10 minutes of any portion of the class.
- Students arriving after the class meeting start-time but within the first 10 minutes will be marked TARDY.
- If a student arrives after the instructor has taken roll and marked the student absent, but within the first 10 minutes of the period, it is the student’s responsibility at the end of that class meeting to request that the absence be changed to a tardy. The instructor is not obligated to change the roll at a later date.
- Three (3) tardies = one (1) absence.

Withdrawal: Should the maximum allowable absences be exceeded prior to midterm, a "W" will be submitted to the registrar to be recorded on the student’s transcript. Should the maximum allowable absences be exceeded after midterm, a "W" will be submitted to the registrar if the student was passing the course at the time of withdrawal OR a "WF" will be submitted if the student was failing the course at the time of withdrawal.

No Shows: If you register for a course and decide not to attend for any reason, you must complete a drop form and process through the student Records Office. You will not be automatically purged for non-attendance. If you do not submit a drop form, you will be responsible for course tuition and fees. By not officially dropping the course, you will incur a bill with the college that can only be addressed through the College’s Finance Office. The college’s refund policy and dates are posted each semester.

Effective Spring 2015, the Student Ombudsman’s office will no longer be the initial point of contact for requesting No Shows to be processed. Students who incur a bill must contact the Finance Office.

Administrative Drop Requests: A student requesting an Administrative Drop resulting from medical, death of family member, and other extenuating circumstances experienced while enrolled at Midlands Technical College should be directed to the Student Ombudsman’s office. Our policy dictates a request must be made no later than 30 days after the affected term. Supporting documentation is required and must be received before the request can be processed. Once the request form is received along with supporting documentation, it takes approximately three weeks for processing. As a result of an approved Administrative Drop Request, the student may be granted a refund of tuition and fees.

According to College Procedure 3.10.1, students having to withdraw from college because of Military Deployment (active duty personnel) while enrolled must complete a withdrawal form and submit to the Records Office along with a copy of military orders.

- The Student Code (Appendix I of the *MTC Student Handbook*) defines academic dishonesty, which includes, but is not limited to, cheating on tests, plagiarism, collusion, and falsification. Such actions will result in discipline.
- Cheating on tests includes:
  - Copying from another student’s paper.
  - Copying or presenting someone else’s work as your own.
  - Using unauthorized materials during a test.
  - Collaborating with any other person during a test without permission.
  - Knowingly obtaining, using, buying, or selling in whole or part the contents of any test.
  - Bribing any other person to obtain information about tests.
  - Substituting for another student, or permitting another student to substitute for you.
- Plagiarism is taking another person’s work and using it without giving the source credit in any graded assignment.
- The use of cell phones or other portable electronic devices for purposes of academic dishonesty in any form is strictly prohibited; students who violate this policy will be subject to the disciplinary procedures and sanctions outlined in the Student Code.
- For more information about academic dishonesty, see the Student Code.

If you are suspected of cheating, your instructor will inform you. You may explain or refute the allegation. If your instructor still thinks the charges are founded, you will be referred to the Office of the AVP, SDS. Documentation is submitted to the Office of the AVP, SDS, by your instructor. You will then meet with either Dr. Holloway or Mr. Hayden. After the meeting, you will receive a letter with the sanction grade of zero (0) and any other sanctions deemed appropriate. You will have the right to file an appeal. Once the hearing and the notice of the right to appeal have been completed, the instructor will be notified to apply the sanction grade of zero (0).

2. Complete in-class writing assignments and readings.
3. Turn in all assignments, including a final portfolio that meets instructor’s guidelines.
4. Complete the exit exam on the final meeting day.

S = Successful

* Students must attend all classes.
* Students will complete and submit all requested work by instructor’s deadlines.
* Students must earn a Successful (3) on the ENG 010 portfolio of three essays. **Note:** Save all of your written work. You will complete a portfolio of at least three essays that respond to readings. Your instructor may assign other writing assignments as needed to develop the skills necessary to produce these three essays. Your instructor will explain how the portfolio is to be organized and graded.
* Students must show satisfactory progress on the final in-class exit exam. The grading committee will review exit exams in the case of borderline portfolios.

U = Unsuccessful

* If you have completed your course work, but do not have a passing grade on your portfolio, you will receive a grade of U (Unsuccessful).
* This means you cannot enroll in ENG 101. Instead, you must enroll in ENG 100 as required by your writing placement scores.
* Students who have pre-registered for a 10-week ENG 101 must drop that course and instead enroll in ENG 100, either a 10-week session in that same semester or a full-session ENG 100 in the following full semester.
* The U (Unsuccessful) does not affect your GPA. **However, it may count in the total number of hours attempted as calculated by financial aid.**
