Measurement Instrument: Students will write a paper which will be evaluated using a standardized assessment rubric developed by faculty.

Course Attendance: In the event of circumstances beyond one’s control, such as illness, the student is allowed to miss no more than twice the number of weekly class meetings or _______. Exceeding the maximum allowed
absences in this course means that the student can receive **NO CREDIT** for the course, and the instructor will assign the student a grade of W or WF.

**On Campus Course Attendance:** Each student is expected to attend ALL classes and activities and is responsible for class work, homework, lecture notes, and reading assignments, whether present or absent.

- **ABSENCE** - Failure to be present for a scheduled meeting of the class
- **ABSENCE** - Arriving for the class MORE than ten (10) minutes after the scheduled time for the class to begin
- **ABSENCE** – Leaving class More than ten (10) minutes before the scheduled time for class to end

Absences are counted from the first day of classes whether you are enrolled in the course or not on the first day of class.

There are NO "excused" absences; ALL absences are counted, regardless of the reason. Students are expected to remain in class for the entire period. If you are not in the class for the entire period, for whatever reason, you will be counted ABSENT.

**Withdrawal:** Should the maximum allowable absences be exceeded prior to midterm, a "W" will be submitted to the registrar to be recorded on the student's transcript. Should the maximum allowable absences be exceeded after midterm, a "W" will be submitted to the registrar if the student was passing the course at the time of withdrawal OR a "WF" will be submitted if the student was failing the course at the time of withdrawal.

**No Shows:** If you register for a course and decide not to attend for any reason, you must complete a drop form and process it through the student Records Office. You will not be automatically purged for non-attendance. If you do not submit a drop form, you will be responsible for course tuition and fees. By not officially dropping the course, you will incur a bill with the college that can only be addressed through the College’s Finance Office. The college’s refund policy and dates are posted each semester.

**Effective Spring 2015,** the Student Ombudsman’s office will no longer be the initial point of contact for requesting No Shows to be processed. Students who incur a bill must contact the Finance Office.

**Administrative Drop Requests:** A student requesting an Administrative Drop resulting from medical event, death of family member, and other extenuating circumstances experienced while enrolled at Midlands Technical College should be directed to the Student Ombudsman’s office. Our policy dictates a request must be made no later than 30 days after the affected term. Supporting documentation is required and must be received before the request can be processed. Once the request form is received along with supporting documentation, it takes approximately three weeks for processing. As a result of an approved Administrative Drop Request, the student may be granted a refund of tuition and fees.

**Military Withdrawal:** According to College Procedure 3.10.1, students having to withdraw from college because of Military Deployment (active duty personnel) while enrolled must complete a withdrawal form and submit to the Records Office along with a copy of military orders.
