Course Outcomes and Competencies:

**Intended Course Outcome #1:** Students will critically analyze the diversity of cultural heritage and the effects of artistic or philosophical influences upon culture through their study of Afro-American history from 1877 to present.

**Course Competency (Performance Measure):** Students completing the learning objectives of Afro-American history from 1877 to present will demonstrate their critical analysis of the diversity of cultural heritage and the effects of artistic or philosophical influences upon culture through a set of locally developed tests.

**Measurement Instrument:** At least 80 percent of all students completing HIS-131 will be able to pass identification and evaluation type exam questions created by the faculty.

**Course Attendance:** In the event of circumstances beyond one’s control, such as illness, the student is allowed to miss no more than twice the number of weekly class meetings or _____. Exceeding the maximum allowed absences in this course means that the student can receive NO CREDIT for the course, and the instructor will assign the student a grade of W or WF.

**On Campus Course Attendance:** Each student is expected to attend ALL classes and is responsible for class work, homework, lecture notes, and reading assignments, whether present or absent.

- **ABSENCE** - Failure to be present for a scheduled meeting of the class
- **ABSENCE** - Arriving for the class MORE than ten (10) minutes after the scheduled time for the class to begin
- **ABSENCE** – Leaving class More than ten (10) minutes before the scheduled time for class to end
- **ABSENCE** – Leaving class for More than ten (10) minutes during class time for any reason
- **ABSENCE** – Three Tardies
- **TARDY** – Arriving for the class after the instructor has called the roll and before ten minutes past the time scheduled for the class to begin.
- **TARDY** – Leaving class within the last ten (10 minutes) of the scheduled time for class to end

Absences are counted from the first day of classes whether you are enrolled in the course or not on the first day of class.

There are NO "excused" absences; ALL absences are counted, regardless of the reason. Students are expected to remain in class for the entire period. If you are not in the class for the entire period, for whatever reason, you will be counted ABSENT.

**Online Course Attendance:** Online instructors will establish and communicate to students the guidelines for determining attendance in their online courses. Attendance should be established along the same guidelines as on campus courses (see above). Attendance can be counted in a variety of ways such as identifying how many missing assignments constitute an absence or identifying a certain percentage of assignments that must be turned in for the student to be in attendance the required amount of time. Instructors should withdraw any students who exceed the total number of allowed absences.

**Hybrid Course Attendance:** Hybrid instructors will count both on ground and online absences (as defined in the course syllabus and policies) in determining total absences in a hybrid course (see above). Instructor should establish and communicate to students what constitutes in class attendance and what constitutes online attendance. Instructor must be specific in what the online activities are and how they are graded. Students should be counted absent when they fail to participate in or
submit specified online activities and/or assignments that equate to a class meeting. Tardies apply for on campus portion of course. Instructors should withdraw any students who exceed the total number of allowed absences, whether in class, online, or in combination.

**Withdrawal:** Should the maximum allowable absences be exceeded prior to midterm, a "W" will be submitted to the registrar to be recorded on the student’s transcript. Should the maximum allowable absences be exceeded after midterm, a "WF" will be submitted to the registrar if the student was passing the course at the time of withdrawal OR a "WF" will be submitted if the student was failing the course at the time of withdrawal.

**No Shows:** If you register for a course and decide not to attend for any reason, you must complete a drop form and process it through the student Records Office. You will not be automatically purged for non-attendance. If you do not submit a drop form, you will be responsible for course tuition and fees. By not officially dropping the course, you will incur a bill with the college that can only be addressed through the College’s Finance Office. The college’s refund policy and dates are posted each semester.

**Effective Spring 2015, the Student Ombudsman’s office will no longer be the initial point of contact for requesting No Shows to be processed. Students who incur a bill must contact the Finance Office.**

**Administrative Drop Requests:** A student requesting an Administrative Drop resulting from medical event, death of family member, and other extenuating circumstances experienced while enrolled at Midlands Technical College should be directed to the Student Ombudsman’s office. Our policy dictates a request must be made no later than 30 days after the affected term. Supporting documentation is required and must be received before the request can be processed. Once the request form is received along with supporting documentation, it takes approximately three weeks for processing. As a result of an approved Administrative Drop Request, the student may be granted a refund of tuition and fees.

**Military Withdrawal:** According to College Procedure 3.10.1, students having to withdraw from college because of Military Deployment (active duty personnel) while enrolled must complete a withdrawal form and submit to the Records Office along with a copy of military orders.

**Disabilities Statement:** The staff of Counseling and Career Services works to ensure that all educational programming and services are accessible to otherwise qualified students with disabilities. If you have a concern regarding the accessibility of websites, instructional materials, online courses and other electronic or information technology please contact Counseling and Career Services. It is the student’s responsibility to self-disclose as a student with a disability and to request accommodations prior to beginning a program or course. **Course Requirements:** Beginning Spring term 2009, the history program at MTC will require a minimum of two (2) exams per course, plus at least one (1) other required graded project, paper, or other exercise directly related to course objectives. This may include any type of graded paper, discussion, review, map quiz, research, or other history related project as long as it is graded and not optional.

**Final:** This course includes a final exam, which in part, has approximately 20-30 multiple choice questions covering the entire course. The instructor will provide a review for these questions. The instructor may also add to, or incorporate other questions as a part of the course final.
