2016-2017 DEPENDENT AGGREGATE VERIFICATION WORKSHEET

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

If your 2015 household income is \$11,880 or below you must complete and attach the Low Income and Asset Clarification Statement.

Deadline: To determine your eligibility for federal and/or state funds, your verification documents must be received by our office no later than August 15, 2017 or 120 days after your last date of enrollment, whichever comes first. Failure to do so by the stated deadline will result in a loss of eligibility for the current academic year.

MTC must review the requested information, under the financial aid program rules (34 CFR, Part 668).

C. DEPENDENT STUDENT AND PARENT INCOME TO BE VERIFIED

1. TAX RETURN FILERS Complete this section if you, the student and/or parent **filed or will file** a 2015 income tax return with the IRS.

The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to FAFSA.gov, log in to your FAFSA record, select “Make FAFSA Corrections,” and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS income information to transfer 2015 IRS income tax information into your FAFSA. It takes 2-3 weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and 8-11 weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool see your financial aid administrator.
