As a part of the college's Default Management and Student Debt Minimization plan, students who have exceeded Midlands Technical College's established loan limits and are requesting loan funds are required to complete a Supplemental Loan Request form. When you take out a student loan, you incur a serious financial obligation to repay the loan in full, plus interest. Careful consideration should be given before borrowing. Do not borrow just because you may be eligible. Attending college will not drastically alter your normal living expenses (rent, utilities, etc) barring any life style changes; only money required for textbooks and tuition/fees or school related expenses should be borrowed.

1. Please Enter the Loan Amount You Wish to Borrow

- > For one term only: \$ _____ Fall _____ Spring _____ Summer
- > For two terms: \$ _____ Fall/Spring _____ Spring/Summer
- > For three terms, Fall, Spring and Summer (disbursed in three equal payments). \$ _____
- If I am not eligible for the total amount subsidized, I will accept a combination of subsidized and unsubsidized loans to equal the total amount requested.

**Loan amounts requested may be adjusted based on eligibility.*

**All loan amounts are disbursed in 2 equal payments, except that indicated above.*

2. Total Loan Debt

- > Have your U.S. Department of Education FSA ID. If you do not know your FSA ID, please visit <https://studentaid.ed.gov/npas/index.htm> to request a copy or to apply for a FSA ID.
- > Visit the National Student Loan Data System (NSLDS) www.nslds.ed.gov to obtain your total student loan debt and record it here. \$ _____

3. Our office recommends that you participate in the Financial Awareness Counseling Tool annually for helpful resources related to your student loan debt and financial literacy.

- > Print and attach with this Supplemental Loan Request

I understand I am requesting financial aid in the form of a debt that must be repaid. To have loan funds disbursed I must be enrolled and attending at least 6 credit hours that count towards an eligible program.
