2018-2019 DEPENDENT AGGREGATE VERIFICATION WORKSHEET

D5

Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

If your 2016 household income is \$12,060 or below, you must complete and attach the Low Income and Asset Clarification Statement.

Deadline: To determine your eligibility for federal and/or state funds, your verification documents must be received by our office no later than August 15, 2019 or 120 days after your last date of enrollment, whichever comes first. Failure to do so by the stated deadline will result in a loss of eligibility for the current academic year.

MTC must review the requested information, under the financial aid program rules (34 CFR, Part 668).
