

## COMMON MISTAKES STUDENTS MAKE

1. Not attending class
2. Procrastinating
3. Not spending enough time studying (for every 1 hour in class, should study 2 – 3 hours outside of class)
4. Not taking notes
5. Not completing assignments
6. Not asking questions when something is unclear
7. Not getting help soon enough
8. Not answering questions fully on homework and tests
9. Not taking responsibility for themselves
10. Being passive
