☐ **Check here if applying by Date**

Attach a copy of:

- MTC online transcript
- Transfer transcript summary from MTC online
- Completed Observation forms and Impression Paper

To be offered a seat in the program, all general education courses must be successfully completed by End of Spring semester 2021.

Students who have met eligibility criteria may be selected for interview according to the following dates:

- PTA General Education coursework completion date
- Submittal of completed observation requirements

Students with the earliest dates will be considered for interviews first. Submit your information to Dr. Rankin in Health Science Building Room 203 A/B.

☐ **Check here if applying by Merit**

Attach a copy of:

- Merit Application
- MTC online transcript
- Transfer transcript summary from MTC online
- Completed Observation forms and Impression Paper
- Verification of prior work experience (if applicable)

All general education courses must be successfully completed by End of Fall semester 2020.

Students who have met eligibility criteria are selected for interview according to accrued merit points.

Follow instructions on the PTA Merit Interview Application including submission of application materials to Dr. Rankin in Health Science Building Room 203 A/B.

This form and all information and documents requested must be submitted to the proper person/people to be considered for date-based interview or for merit interview. Application materials that are submitted incomplete, incorrectly, or after the application deadline may result in non-consideration.
